February Bridge Parties Aid Fund

A series of bridge parties benefiting the Starr Commonwealth School for Boys in Albion will come to a climax during the month of February.

Local hostesses who will entertain during the coming weeks are Mrs. C. B. Black and Mrs. Earl Bartholomew, who will have ten tables in play Friday afternoon at Mrs. Black's Waddington road home.

Mrs. Clarence E. Botsford has been active in the Franklin area, with Mrs. R. R. Hutchison directing the parties in Beverly Hills.

AMONG THOSE who opened their homes for the Starr fund in January were the Mesdames L. B. Sappington, Walter F. Skinner, Howard J. Liverance, R. J. Waterbury, Max H. Fruhauf, Marcus E. Cunningham, Read Jenkins, George M. McCallum, William Manning, and Mrs. Fred W. Sanders.

Co-chairmen of the fund-raising activities are Mrs. William L. Graham and Mrs. W. Whiting Raymond, assisted by Mrs. T. Norville Hubbard and Mrs. Edwin V. Clarke.

SCOUTING's coveted Silver Beaver award was presented last week to Paul Wilson (second from right) for his "outstanding service to boyhood". Wilson, who lives at 982 Puritan, received the surprise award at the annual meeting of the Detroit Area Council. Pictured during the presentation (left to right) are: James Buchanan, Birmingham, District One Commissioner; George Williams, vice president of the Detroit Trust company, who read the citation; Wilson; and A. Douglas Jamieson, Council commissioner who made the presentation.

Table Tennis Team Wins Four Games In Oakland League

YMCA table tennis club members, playing under the sponsorship of Mortimer's Clubhouse in Birmingham, easily defeated Cal's Recreation team, 4-2, in the Oakland County League. This match marked the third straight successful match for Mortimer's. It also marked the team's first appearance in their new, navy-blue team jerseys.

The local team combined two wins in singles with two wins in doubles to win four of the six matches played. Ben Lindsay continued his winning ways with power drives to win his match by a wider margin than any played with the opposing team.

Bob Frantz played his best match of the season in defeating his opponent who had beaten Frantz earlier in the season. Don Large and Bob Frantz won their men's doubles match by overcoming a first-game loss and winning the two games appearing.

Back Home Safely From 100 Missions

Attendance at weekly practice sessions on Thursday evenings has been increasing. Any players having table tennis experience are welcome to practice with the team at the YMCA on East Lincoln.

The season about half finished, Jerry's illustrated lectures are popular with youngsters throughout metropolitan Detroit. He demonstrates with sledge, stunner and fascinating charts the common sense safety rules for children of every age.

Li, Kingsley Purton, Jr., son of Mr. and Mrs. Kingsley Purton, Red Maple Lane, returned to the home of his parents Saturday from Korea on a 30 day leave.

Li, Purton successfully completed 100 missions in the Far East as a fighter-bomber pilot.

A Baldwin High school graduate, Li, Purton was commissioned in December, 1951, at Williams Field, Phoenix, Ariz., and left the United States, March 1, 1952 for Korea.

He is to be assigned to Luke Field, Ariz., as an instructor at the Air Force Base.

Jerry McSafety To Visit Schools

Jerry McSafety, the safety-minded dummy, will visit schools in Birmingham and Bloomfield Hills, February 9 and 10, courtesy of Harold Turner, Inc., Birmingham's Ford dealer.

With his master, Wayne Fenner, Jerry will entertain and instruct the school children in the careful observance of approved safety rules.
