**1953 Chevrolet Advance-Design Trucks deliver more value!**

4 powerful reasons why you get more of what you want...

- more engine power!**  
108-hp. Loadmaster engine—standard on 5000 and 6000 Series heavy-duty and forward-control models, optional on 4000 Series heavy-duty trucks.
- more staying power!**  
Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.
- more braking power!**  
Chevrolet trucks up to 4000 Series heavy-duty models have big, powerful "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.
- more economy!**  
New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

Now—even more for your money with Chevrolet!  
Chevrolet trucks for 1953 bring you new stamina and new safety with heavier, more rigid construction. Heavy-duty models provide increased horsepower, higher compression ratio in an advanced Loadmaster engine with power and performance never before available in a Chevrolet truck.

Model for model, feature for feature, these 1953 trucks are the greatest Chevrolet trucks ever built. And with all their solid superiority, they list for less than any other trucks of comparable specifications.  
Drop in at our showroom and talk over your needs. Let us show you how Chevrolet trucks give you more of what you want—and show you how little you need pay.
