Protests Proposed Home Construction on Arden

James C. Hills, 1986 Northlawn, has informed, Birmingham city commissioners, that the proposed construction of a dwelling on Arden lane would devalue two lots situated between his home and Northlawn.

Hills pointed out that with the western approach to Fairway being blocked and the possibility of any future opening being diminished, it would be necessary to use these lots only as an access to his present property.

The letter was "turned over" to City Manager D. C. Egbert who has been asked for a report on the problem.

Orchard Lk. Teams Meet Tough Foes In Lady Bowlers

Last Sunday the 10 top men bowlers in the Orchard Lake Country Club league teamed up to face two crack women's teams from Detroit at West Haron Recreation in Pontiac and managed to match the winnings of the ladies.

The two men's teams were spotted by the Goebel 22 team and the Colonial Branch five.

Air Reservists To Hear Speakers

First Lieutenants Wendell L. Riggie and Fred H. Riley have been designated Project Officers for the February 2 meeting of the 9600th Volunteer Air Reserve Training Unit in Ferndale.

Lt. Riggie will conduct a program dealing with Air Inspectors, while Riley will consider the establishment of a training power.

The meeting will be held in the St. James High school, Marshall and Woodward, at 7:30 p.m.

Work Made Easier

Birmingham DPW mechanics no longer will have so much trouble in removing frozen or rusted bolts from city equipment. City commissioners have approved the purchase of a \$205 impact wrench which handles this difficult job with electrical power. In the past, it often has been necessary for DPW workers to remove bolts with a cutting torch.
