

MICHIGAN OUTDOORS

CATCH MORE FISH IN '53!
A lot of fishermen are impatiently awaiting the coming of the spring and summer months, resolving that this year they're going to catch more and bigger fish than last. Most of them go along with the theory that the one big factor in fishing success is luck. A little analysis of the situation would prove this an unworthy alibi...

Get Smart—Now!
So, during these winter months in Michigan, study fishing while you're waiting for spring. How? Well, if you know what lake you'll be fishing, ask the Conservation Department if they have made a map showing weed beds, deep holes, reefs and other contours which would be helpful in locating natural fishing grounds...

Twenty Million Fishermen
Scattered throughout this great nation of 48 states are more than twenty million fishermen. About one out of ten buckles down to the job of learning enough about fishing to deliver a feeling of self-satisfaction. If you're one of these "students" of the art you're going to catch more...

'Banco Popular' Rolls Across Puerto Rico

Seen above is the interior of a mobile banking unit serving the island of Puerto Rico with all the facilities of a big-city bank. A guard at the door welcomes and advises customers, a stenographer types records and an executive makes a phone call on the bank's portable phone. Seated at right is an attractive islander waiting to open a savings account. The bus-bank is the first of a fleet of 20.

Business finished, the van moves to the next town. Rolling over Puerto Rico's highways, the motorized "Banco Popular" reaches hundreds of the island's towns which have no other contact with banks. With a bank, many rural islanders now have savings accounts.

Troop B-4 Plans Court of Honor At Adams School

Scout Troop B-4 will hold a formal Court of Honor in the Adams school gymnasium Monday, Feb. 9, to honor all Scouts who have advanced in rank. Feature of the evening will be the awarding of the Eagle Scout rank, highest award in Scouting, to four members of the troop.

Explorer Scouts Robert Thomas, Frank Mahley and Richard Speed, and Scout John Clark will be presented their Eagle badges by District Commissioner James Buchanan. This marks the first time in the troop's history that four Scouts will receive their Eagle awards at the same time and brings to 12 the number of Eagles "graduated" by the troop in the 27 years of its existence.

Fred O. Blair, Royal Oak, vice-chairman of District One, and Ralph Pinkowski, newly appointed assistant Scout executive for the district, will participate in the program, honoring other Scouts who have received awards. The COURT OF Honor is planned by K. L. Hollister, ceremonial chairman, and Robert G. Silber, advancement chairman. Dr. Archie McNaughton, president of the Birmingham Lions club, troop sponsor; Robert J. Gougeon, institutional representative; Hugh Bailey, neighborhood commissioner for the troop and Mark H. Duffield, troop committee chairman, will also be on the program. A Tenderfoot investiture ceremony will also be staged. Explorer Scouts will participate in a demonstration of campcraft. Parents and friends of the Scouts have been invited to attend the Court, one of the few public programs in Scouting. It will open National Scout Week for Troop B-4. During the week the troop is to have a window display in a downtown store and plan a campout the weekend of Feb. 14 at the Lapeer campsite of the Franklin Village Scout troop. On Feb. 13 the Scouts will par-

Gehringers Ask Friends In For Spring Training

FRANKLIN—Report for Spring Training is the "command" on the unique invitation in a baseball motif sent by Mr. and Mrs. Charles Gehring to call 35 guests to a "double-header" cocktail and dinner party at their home on Lahser road last Saturday night.

Another 35 guests have received notice of a similar party to be held on Feb. 7. Gehring, business manager of the Detroit Tigers, will leave the latter part of February for spring training camp at Lakeland, Fla.
