Father's Day, Sunday, June 21

If you're in love with a wonderful guy ...

And that guy's name is Dad . . . then be certain, doubly certain to have ready for him a mighty fine gift for FATHER'S DAY: SUNDAY: JUNE 21st.

Here at LaBelles we planned long ago to have the kind of just-right gifts you want for this wonderful day for Fathers.

Gifts in leather are always superb for him; gifts of good books are bound to be appreciated; then too there are picnic things and many other suggestions awaiting your selection.

Children are welcome, and taken special pains with, as they pick out Dad's gift . . . and for this great day all gifts will be distinctively gift-wrapped!
