THE ARTIST WHO accepted the assignment to depict the life of Birmingham's Community House in one assignment found it quite a complicated job. In spite of the variety of things done at this busy community center, most of them are represented or indicated in this drawing. Adults go there for lectures, dramatics, concerts, and round table discussions, flower shows, dinners, dancing, bridge parties and handicraft instruction, such as the sculptress in the left foreground. The younger citizens have Boy and Girl Scout programs there along with other activities of various kinds. Not strictly a part of the Community House plan, but still going on, (boys and girls) do a little window peeping (top left of picture) at what's being done in the large ground floor auditorium, too.

Apple Ring

- 4 tablespoons butter-or-marger-line
- 1 cup firmly packed brown sugar
- 6 tart apples
- 1 egg
- 1 cup white sugar
- 1/4 cup boiling water
- 1 teaspoon vanilla extract
- 1 cup sifted flour
- 1/4 teaspoon baking powder
- Salt

Melt butter with brown sugar in a medium casserole. Peel, core and quarter apples. Mix thoroughly with the melted butter and sugar. Beat the egg until light, add the sugar gradually. Add boiling water and vanilla extract. Sift flour, baking powder and salt and combine with apple mixture. Pour batter over apples and bake 45 to 60 minutes in an oven 375 degrees. Serve with sweet cream of ice cream.

Thousands of people read The Eccentric Classified Ads. So remember, if you want to sell that hard-to-get-rid-of article, advertising it in the Want Ad section of The Birmingham Eccentric.

A SUMMER in Europe is in store for these young misses shown packing their bags for Montreal from where they sail June 26. The three (from left to right) Mary Kemp, Nancy Jacobo and Carolyn Metzger, along with Louise Frederici will spend two months touring the Continent, returning September 1. (Eccentric Staff Photo)

Pay more? What for?

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

Here are a few of the "Worth More" advantages you'll find in the '53 Ford:

1. **V-8 engine—powerful and smooth!** Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!
2. **America's most economical Six engine!** If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker V-6 engine which, with optional Overdrive, won over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern sixes in other cars.
3. **America's finest and most versatile automatic drive!** Fordomatic Drive is the "automatic"

which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier... more relaxing.

4. **Automatic gas savings!** Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.
5. **America's newest and finest power steering!** Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—and parking.

6. **Largest choice of models in the low-price field!** Ford alone gives you a choice of 18 different models... a SIX or V-8... Fordomatic, Conventional or Overdrive... the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!
7. **A body that's the style-setter!** Only Ford in its field gives you the advantages of a hull-tight Crestmark Body... the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest. You enjoy more usable space.
8. **New driving conveniences!** Ford's first in its field with such "Worth More" features as easier-acting, suspended pedals that eliminate floor holes... foam rubber cushions on front and rear seats in all models... and convenient Center-Fill Fueling.

9. **An automatically controlled ride!** When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) takes tilt out of turns... gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.
10. **It's worth more when you sell it!** An impartial survey of used car prices proved that Ford's return a greater proportion of their original cost than any other cars in America. It's another fact to add to Ford's reputation as the "Worth More" car. But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year; you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT...
