WALNUT LAKE NEWSLETTER

Kindergarten news—There is a robin's nest outside our room. The mother robin is sitting on the eggs. We are going to make flags and learn a song about our flag for a school assembly.

First grade—We think it is very exciting that things in our room are growing so fast. Smoky, our pet mouse, is bigger and fatter. The onions are ten inches high and the radishes and nasturtiums are four to six inches high.

Second grade—We visited Larry Enrich's home to see a family of robins. When we came back we wrote stories and made pictures of the hike. Some of the stories were very good and are now on our bulletin board.

Fifth and sixth grades—We have been making pictures for posters about the Walnut Lake Carousel and for borders on our bulletin board.

Children whose posters were chosen to be put up in Birmingham and Walnut Lake stores are as follows: first grade, Hugh Nickle and William Williams; second grade, Lynn Weaver and Christine Lacy; third grade, Judy Symon and Susan Smith; fourth grade, Lorenza Graber and Richard Mealy; fifth grade, Bob Sinta and Jimmy Alaint; sixth grade, Jill Morton and Kay Graber.

Dianne Mott and Pam Wigle have made posters for the hall of the school. Judy Symon, Richard Mealy and Jill Morton went with Miss Votey to place the posters in the stores.

Second grade—We are planning a trip to the Zoo on June 12.

Third grade—Yesterday in Art we made free hand letters. We have been studying "The Land of Sunshine," Florida. We made booklets, mazes and exhibits. We also had a little play. Everyone dressed up in old fashioned bathing suits. We looked very funny. Mrs. Pike, our teacher, is reading us a book called "Big Tree." It is a very good book.

FOURTH GRADE—Our new president is Linda Hawkins. Our vice president is Joyce Keilar. Last Thursday we took a trip to the Zoo and saw the Joe Mendel show. Friday, we had a play for our parents. At the end of the show we square danced.

Fifth grade—The officers this week are Susan Plank, president; Felzize Harris, vice president; Sally Nickerson, secretary. We are practicing for the Music Festival. In art we are making letters.

Sixth grade—Officers for this week are Susan Plank, president; Phillip Anderson, Linda Stevenson, book chairman; Susan Sawyer, Phillip Anderson, plants; Susan Sawyer. We are preparing for the Music Festival. The fifth and sixth grades from this school are in it. We have been talking about the coronation. We hope to have a television in the room to see some of the events.

First grade—Donna Powell had a birthday. She treated everyone in the room to an ice cream party. Mrs. Clouse had conferences last Wednesday. While she was busy Mrs. Shinar taught in her place. Strange animals are found in our room. Miss Barrett can explain how they got there. We are planning a swimming party for the last day of school. Mrs. Little asked us to come to her house. Mothers are invited too.

SECOND GRADE—We have a new student in the second grade. Her name is Peggy Sue Kingsbury. We watched a sphinx mother come out of a cocoon. After we had watched the moth, we let it go.

Third grade—Our room has a new teacher while Mrs. Veleoff is having conferences with parents. Her name is Mrs. Shinar. We think she is very nice.

Fourth grade—Our room played two baseball games with the Wing Lake school, a boys and a girls game. It was played Friday, May 20th. The Wing Lake girls won the game. The Wing Lake boys also won. The scores were Girls 32 to 12, and the boys 19 to 18.

Our room is starting on our study of Canada. We find this country much like our own, so this makes this subject more interesting.
