June Plans Told in Hills

Youth is a wonderful age of enthusiasm, of adventure, of great expectations, but it seems that one must reach middle-age before he can attain a balanced perspective... and this perspective places him at its own youth more fully.

THE NEWSBOY, making his weekly round of collections, thought surely there was small-pox abroad in the house. He had no way of knowing that the apparition done up in a surgical mask on answering the door was only a brand-new grandmother who, having raised five daughters, was "sitting" for the first time with her equally brand-new grandson. He wasn't going to "catch" her sinus condition.

WE HAVE NO argument with the contemporary detective story but our eyebrows still shot up over the purchase of "The Case of the Sulky Girl" and "The Kindest Use a Knife" by a library which appeals for funds necessary to fulfill the cultural needs of the area. Sic semper drugstore.
