"THIS isn't my picture, but it represents me. I'm your local Packard dealer and I've got two things to say that'll probably interest you a good deal.

"First, folks tell me from all over that this new Packard CLIPPER is the buy of the year! You can't let Americans about an automobile. When they give a car the boost they've given the Clipper - it's in!

"I'm lucky to have a few Clippers and I'd appreciate it if you'd come by and take a look, or a ride - or both. You'll find a lot of automobile that's making news everywhere in performance and price - the only medium-priced car in America built in the fine-car tradition.

"Here's the other thing: we're celebrating Packard Invitation Month in honor of the new Packard Program - and the factory is awarding 12 new Clippers, 12 new Packards, and a Grand Award of the sensational sports car, the Packard Capri - to people who participate and follow the rules. It's a fine time to come by and let us give you the story."
