**Accepts Pastorale  
In Rhode Island**

Mr. Ardrey came to Birmingham in September 1930 and immediately launched an extension plan for the new congregation which involved the purchase of the United Presbyterian church at Woodward and Forest. Built in 1894, the structure was moved to the Lincoln avenue site in 1931 and since that time has enjoyed a steady growth in attendance for both church and Sunday school services. Mr. Ardrey will leave next week to accept his new pastorate at the Wesleyan Church of the Nazarene in Providence, R. I.

**Consultant Sees No Need  
To Change Intersection**

A recent study of traffic movement at the Woodward-Oakland-Willets Intersection indicates its realignment would accomplish very little other than to reduce turns by the east-west traffic, Oscar M. Gunderson, Birmingham's traffic consultant, has reported to the city commission. Commission members agreed to delay action on Gunderson's study until they can be considered along with tentative plans which have been advanced for a 1,500-car parking lot at the northwest corner of Woodward and Willets.

Volunteers and staff workers in the Public Office, Oakland county chapter, American Red Cross, will have plenty of "new room" when they move into their new quarters at 218 Franklin, road. The \$22,000 purchase of the eight room house was announced this week by a special holding committee which includes Mrs. Sheldon R. Noble of Birmingham. The move will be made shortly, it is expected. H. B. Euler, head of the committee, termed the purchase an "economy move" since the office suite now used costs \$330 a month in rentals and during the six years the chapter has been there has nearly equalled the purchase price of the house. The basement will be converted into training room, workrooms for volunteers and storage space. Reception rooms, home service offices and a meeting room will be located on the first floor with other offices on the second. The rear yard will furnish parking space for volunteer workers. The new home will also give kitchen facilities and other special volunteer facilities.
