VAUGHAN ELEMENTARY SCHOOL NEWS

Kindergarten—Mrs. Wasylkiw have been planting flower seeds. We are going to have a garden house up until school is over. We have just planted calendula, asters and marigolds. We are making books for our mothers at tonight's time. We have been making cards and envelopes. We are having a sentence under it. We are learning to read the sentence. We are going to be reading and found out how we are. Mrs. Wasylkiw is going to make a big music and put out names and how much we weigh on it.

Fifth grade—Mrs. Flint's room: We are studying about Michigan in Mrs. Flint's room. We have a large map of Michigan with all the counties on it and we put things that grow in the counties on it. Each child has three or four counties. Every day Mrs. Flint reads to us out of a book that tells things about Michigan and asks us questions.

SIXTH GRADE—Mrs. Weizenbaum's room: Two new pictures have been hung in the lobby entrance. They were given to the school by Mr. and Mrs. F. P. Warwick in memory of Mrs. Warwick's mother, Estelle E. Sharp and her aunt, Caroline H. Noble. One of the pictures is of a young boy and one is of a young girl. The other picture is of Abraham Lincoln and it is done by Tony.

The May dance held on May 8, 1953 was a huge success. It was held from 8 to 10:30 p.m. and the pupils in Mrs. Weizenbaum's room. Today is Mary Annaleen's birthday. It was celebrated by a party in our room.

SIXTH GRADE—Mr. Ferrell's room—Monday, May 11, we went to Pine Lake Country Club and saw a Pro-Am tournament with the professional Henry Bumgarner. We followed him and his partners to the seventh hole. Then returned to school. Also on the same day we put up an airplane exhibit for the P.T.O. meeting that night.

TONIGHT we will have our big square dance of the year. It will be the last time we see Mr. Branch this year.

Second grade news: We have been making airplane booklets. We drew a large plane and pasted it in our books. We named the different parts of the plane.

We have been using rulers. We found out that most of our papers are 7 inches by 8 1/2 inches.

Fifth grade—Miss Poor's room: Carol Klenke and Dickie MacDonall are out of school with measles. Douglas Gawn has just come back after recovering from the measles. We are studying about insects and collecting them.

First Grade—Mrs. Clouse, teacher: This week we are having tests. We want to find out how much we have learned about numbers, writing and reading.

Twenty parents visited our room last P.T.O. night. We had it fixed up with our airplane pictures and stories.

Our Rhythm Band is getting better with every practice. Patsy Little can really play the xylophone. We are thinking of giving an assembly soon.

THIRD GRADE—Mrs. Velkoff's room: We made an airport. We have four separate hangars and a control tower. We have two big hangars too. We had a lot of fun building it. May let us go to an airport and had a chance to go on an airplane.

The third grade had a snake. One day it got away. We haven't found it yet. We have a salamander. Christie Myers brought it. Mrs. Velkoff told the girls and boys to bring some plants. Mrs. Swan and Mrs. Saylor have started a Brownie club for the third grade girls. Marcee Merrill, Barbara Chiles, Lois Saylor, Martha Wild, Priscilla Snyder, Christie Myers, Elaine Hall, Gayle Gradaris, Barbara Speits, Marilyn Ellery, Dorothy Corley, Sandy Edwards, Cindy Swan and Jennifer Greene belong.
