Double Ring Vows Repeated At High Noon Last Saturday

Double ring vows were spoken at high noon Saturday, May 23, at Holy Name Church by Esther Jane Lyman and Gardner Philip Allen, Jr. The Rev. Richard Parrish officiated.

The bride, daughter of Mr. and Mrs. Arthur Carlton Lyman of West Thirteen Mile road, stood at the altar in a gown of white imported silk organza with a tiered skirt and chapel train. The embroidered organza bodice was cut with a square neckline and short sleeves.

The bride wore gauntlets and carried a dusty bouquet. Her fingertip veil of double illusion was held by a bonnet edged in see pearls.

MAD OF HONOR Frances Ann Lynch flew in from Marymount College, Tarrytown, N. Y., where she is a junior. Her waist-length gown of white organza fell over turquoise blue tulle. A jumbo jacket topped a bodice of appliqued organza, and she wore a matching organza bonnet.

In identical gowns of pale pink were bridesmaids Mrs. Henry Stephens and Mrs. Jack E. Burns, both of East Lansing. Suzanne Allen and Mrs. Arthur Byron Butterfield. All the attendants carried lilies-of-the-valley.

THE GROOM, son of Mr. and Mrs. Gardner Philip Allen of Pilgrim road, asked Thomas R. Rule of Bloomfield Hills to be his best

man. Guests were seated by Thomas Austin, Henry Stephens of East Lansing, Robert Hartman and James Sweeney of Long Island, N. Y.

Italian turquoise linen cut with a full skirt and V neckline, matching shoes and a wide flowered hat were chosen by Mrs. Lyman for her daughter's wedding.

Mrs. Allen was in a dress of natural shaded cotton lace with a matching linen jacket. Both she and Mrs. Lyman wore white orchid corsages.

A wedding breakfast followed at "Fourviews", the home of the bride's parents. The couple are motoring to Florida. They will return the middle of June to make their home on Banbury road.

FOR TRAVELING the new Mrs. Allen changed to a pink jersey suit accented with a hat of white starched lace and white accessories.

Out-of-town guests included Mr. and Mrs. Donald Allen who came from Milwaukee, Wis.

World's newest V8

Want to make a quick getaway?

THE nearest we can come to word-picturing for you how it feels to drive a 1953 Buick with Twin-Turbine Dynaflo® is this:

When you toe the gas treadle, you can get away like silked lightning in a silent hurry.

More specifically, you can sweep your speedometer needle from zero to a legal 30 mph in the time you normally take two breaths.

Equally important, you get this dazzling getaway with whisper-quiet—and with one smooth, progressive build-up of velvety power.

The literal truth is—no other car in the world can get away with the combined quickness, quiet and utter smoothness of a 1953 Buick with TT Dynaflo.

It takes more than the advanced new engineering of this fully automatic transmission to produce such thrilling performance, of course. It takes power, too.

And that's here in full measure—the highest horsepowers and compression ratios, Series for Series, in Buick's fifty great years—with the world's most advanced V8 engine powering the SUPER and ROADMASTER.

There's a lot more you get in any 1953 Buick in generous and hard-to-match equipment—room, comfort, visibility, ride steadiness—and, above all, value.

But these are things you must discover for yourself—as you must the greatest Buick performance in history.

Why not drop in on us real soon? We'll be happy to put you at the wheel of a new Buick and let our points prove themselves.

*Standard on Roadmaster, optional at extra cost on other Series.
