"I entered the Soap Box Derby because I believed I had as good a chance to WIN as any other boy!"

"I figured that if thousands of other boys could build racing cars and win fine prizes, so could I . . . and I discovered that the simple Soap Box Derby building rules were easy to follow."

"Yes, it was just as simple as that. It took me about 90 days to complete the car, as I wanted to take it easy, study the job as I went along. You see, this was the first time I had ever entered or built a racer, and I wanted to streamline the body and build weight into the car because I weighed only 78 pounds."

"I wish I could do it all over again!"

Open to all boys between the ages of 11 and 15 years!

Boys, take mother or dad to your Chevrolet dealer today and sign up for the big Soap Box Derby.
