Fall Book Sale Has Roots In Spring Housecleaning

Since spring is housecleaning and moving time, the American Association of University Women are starting now to collect books for next fall's 25th annual book sale.

The AAUW book sale annually provides an outlet for thousands of unused books which are distributed to those with a use for them. Libraries, schools and hospitals benefit, and proceeds are used for scholarships.

The committee for the autumn sale met recently at the North Glenhurst drive home of chairman Mrs. George Stubbs. Plans were outlined for the collection of books, monthly miscellany, sheet music, records, maps, toys, pictures and patterns from now on through the summer and fall.

ALL TYPES of books are wanted—fiction, non-fiction, juvenile, research, paper books, cook books, encyclopedias. Arrangements for a pickup may be made by calling Mrs. Robert L. Garrison.

The sale will take place in October at the Detroit Edison building. The entire membership of the AAUW assists in the project and working committees are now being formulated.

Leading contributors are Mrs. William Reed and Mrs. C. W. Blumman; Mrs. Lawrence Quinn, equipment; Mrs. Lawton Tait, handkerchiefs and slippers; Mrs. Gilbert Gove, markers; Mrs. James S. Siddall, posters; Mrs. J. H. Van Doren, pictures; Mrs. Richard W. Baseball League; and Mrs. Robert L. Garrison, transportation.

WHAT IS WORTH MORE?

THERE IS A DIFFERENCE IN HEALTH INSURANCE . . . AMERICAN'S NEW BROAD COVERAGE POLICIES DO PAY GREATER BENEFITS. MORE AND MORE PERSONS WHO CAN . . . CHOOSE AMERICAN.

WHAT ABOUT DAILY RATE? The American plan again leads the field in providing a wide choice of plans. Add to your present coverage or provide yourself and loved ones with a private room if the need arises. REMEMBER, the American pays full benefits to ANY HOSPITAL ANYWHERE . . . you are not penalized if you are taken ill in an out-of-state hospital.

WHAT ABOUT EXTRAS? The new American plans take care of these miscellaneous charges that make present day medical and surgical treatment so expensive. No extra charge for x-ray allowance. The new medicines are included, as are ALL other hospital charges to make you and your dependents well again.

WHAT ABOUT SURGICAL CARE? The American plans pay for operations performed in the hospital, doctor's office or at home. The schedule pays for minor surgery such as dressing wounds, or sewing up small cuts as well as major operations performed by specialists.

WHAT ABOUT MEDICAL CARE? Payment is made for services of an attending physician when you or an insured dependent is hospitalized.

WHAT ABOUT MATERNITY BENEFITS? Benefits for maternity have been increased on the new plans. It is possible to receive as much as \$470.00 for a maternity claim.

WOULD YOU LIKE FULL INFORMATION?

WHAT ABOUT EMERGENCIES? Again, American leads the way by providing benefits in the doctor's office, or hospital out-patient department. Make sure you have protection that pays for these every day accidents that necessitate treatment by your physician.

WHAT ABOUT COSTS? Here's the place where American's advantages are obvious. You can protect yourself and dependents with broader coverage at costs that won't strain your budget.

WHAT ABOUT THE RECORD? For the past 15 years, the American has paid to the hospitals and doctors, for members' care, millions of dollars annually. The average claim payment has steadily increased . . . but, the American has never found it necessary to raise its individual rates, proof of fair dealing.

WHAT IF YOU ALREADY CARRY OTHER INSURANCE . . . The American Plan places no limitations on what you may carry in the way of other hospitalization coverage. Indeed, one of its purposes is to give holders of Group and other forms of Hospital Insurance the "extra" protection they may want or need.
