

"It's a pleasure to have you
join our company."

It is indeed pleasant to be able to welcome such an outstanding organization as KRESGE and to have such a beautiful store make its appearance on West Maple. Now we have added reason to say "ours is the finest street of shops bar none". You will find it a busy street but imbued with the friendliness that characterizes this community. We extend the wish for many prosperous years and years in which our associations will be mutually beneficial.
