It raises your pride and races your pulse

You feel it the moment we turn over the keys to you. You now own the handsomest "hardtop" around—a Buick Riviera—and the warm glow goes all through you.

But not alone for the racy beauty of the car. You feel that prideful surge, too, from the fact that here you bought yourself a whale of a lot of automobile—a whale of a lot of room and power and soft luxury and ride steadiness—for a lot less than you expected.

For the automobile pictured here is a Buick SPECIAL Riviera—which means it delivers locally for just a few dollars more than the "hardtop" models of the "low-price three."

But it's only when you drive away in your rich and bounteous new beauty that the real thrills begin and the satisfaction deepens...

When Twin-Turbine Dynaflo* gives you instant getaway response with silken smoothness, and the Million Dollar Ride levels every inch of your way...

When the deep wide seats cradle you in spacious comfort and the great glass areas give you visibility practically unlimited.

Surely you ought to look into this great Buick

that's so prideful to own, so thrilling to drive, so easy to buy.

We'll be happy to arrange a sampling. Can you visit us this week?
