After more than a year of activity, the Altrusa Club of Greater Birmingham received its charter and became a full-fledged member of Altrusa International, Monday evening.

The charter was presented to Mrs. Velma Isley, charter member and first president, by Dr. Viva Boothe, governor of the fourth district, Altrusa International.

In making the presentation, Dr. Boothe congratulated the local unit for its progress and explained the services which this club, and the 350 units which make up the international body perform.

Dr. Boothe, director of the bureau of business research at Ohio State university, arrived in Birmingham Sunday, and was the guest of Miss Freida Calhoun during her three-day stay.

Sunday evening she was the honored guest at a subscription dinner at Devon Gables, followed by an open house at the home of Mrs. Elythe Peck. Other guests were Mrs. Cunningham, Dr. James and Mrs. R. C. Hicks.

ON MONDAY, Dr. Boothe, with Mrs. Isley and Miss Calhoun, were guests of Marion Goodale, headmistress at Kingswood, at a luncheon. During the afternoon Muriel

Brusie, girls counselor at Barnum junior high school, was hostess. A tour of the new Birmingham high school was the highlight of the day.

Tuesday morning, prior to her departure for Ohio, Dr. Boothe was entertained at a small brunch given in Miss Calhoun's home.
