COMPANY OFFICIALS VIEW the new 1954 Studebaker station wagon named the Conestoga at a special showing before the new Studebaker line is unveiled to the public. Like the new sports models and sedans, the Conestoga was designed by Raymond Loewy. It is available in both the Champion and Commander V-8 series in eight solid and five two-tone color combinations with harmonizing vinyl interior trim. The new line went on display at Carkner Motor Sales, 666 So. Woodward, Monday, Nov. 23.

VAUGHAN ELEMENTARY SCHOOL NEWS

The kindergarten (Mrs. Krause) room has made two murals for their bulletin board. They are for Thanksgiving and picture Pilgrims and Indians. Jeanne Johnson, Timmy Wood, and Billy Beaver enrolled last week.

The first grade (Mrs. Blazo) has been studying trains. They made a model railroad locomotive which is large enough for the boys and girls to climb into. They are also making a large mural of a complete train. One group (Mrs. Beaudoin) is studying Indians. They made Indian jackets and headbands from paper which they have colored. Each child has a plant to take care of which they obtained on a recent trip to the greenhouse. The second grade (Mrs. Clouse)

took a trip to the library. While they were there they were shown how to take care of books and how books are checked out and in. Three people have entered the game contest.

THE THIRD grade (Mrs. Velokoff) has been studying about weather conditions. They have been keeping a daily weather record. They also have an interesting model display.

The fourth grade (Miss Flannery) is preparing a play, "Hansel and Gretel", to be given the first week in December. Danny Draper brought an alligator to school. He is called "Zippy". John Beaver enrolled last week.

The fifth grade (Miss Casey) has been studying about colonial days in Virginia. They are making an enlarged map of United States for their room. Mrs. Long's group is studying about Michigan. They are making maps of the state on various materials. When they have finished their study, they will take a quiz consisting of 38 questions made up by former fifth graders. They will try to add some questions to the list.

MISS POOR'S ROOM has three new students: Sharon Stanley from Craly of Detroit, John Johnson from Lincoln of Detroit, and Lynda Gabel from Oak Park. Billy Wimber was able to have his cast removed last Friday. He broke his arm two months ago.

The sixth grade (Mrs. Butterfield) plans study about marine life in Science class and South America in Social Studies. The news for this edition has been collected and edited by the students in Mr. Cook's sixth grade. A large mural of South America was made by students and placed in the room as a part of their work in studying Latin America.

BLOOMFIELD VILLAGE SCHOOL NEWS

First grade—Mrs. Ayer—We are making up stories using the words from our three pre-primer books. The first stories we made were very interesting. Every Wednesday is our sharing period day. We are making penmanship booklets.

Second grade—Mrs. Gregory. We are learning how to tell time this week and we have even made our own clocks. Our monitor this week is Steve Bartholomee. For Thanksgiving decorations we have turkeys all around the room. Then we will learn a little about the Pilgrims.

On the casualty list this week is Christine Bever who broke her arm on the playground.

Third grade—Mrs. Fike. We have just finished reading a Pilgrim and Thanksgiving story. We wrote about the first Thanksgiving and drew pictures. Our open house was last Monday and we welcomed our parents with a special treat.

Sixth grade—Mr. Crandall—Monday we elected officers. They are: President Francie Von Maur, Vice President John Calhoun and Book Chairmen John Calhoun and Mary Seyferth, Room Chairmen Bonnie Cartwright and Jack Gurney, Secretary Anne Bauer, and Reporter Sue Gantier.

We are now making a mural for the back of the room. Everyone made a speech about an interesting place or thing they saw. We put it on tape. We also read a story in our reading and put it on tape. Wednesday we got our report cards.

Maple Debaters Face Hazel Park

Birmingham high school debaters will hold their first debate of the year against Hazel Park, December 3.

Four teams plan to participate, two varsity and two reserve. Making up the varsity teams are Beverly Noch and Dorothy Ojala for the affirmative and Fred Shinnick and Sue Spencer for the negative. The reserve teams have not been decided upon.

Variety Show Nets \$2500 for School

Greenpaint and costumes were stored away this week but approximately \$2500 received from variety show tickets is ready for distribution among various senior activities at Birmingham high school. Friday night was a sellout due to the vigorous sales campaigning by the senior class. Highest homeroom sold for \$376 worth of tickets. Robert Richards was business manager for the show. Bargains galore in Want Ads.

On this glorious American holiday we all pause from our daily activities to render our appreciation for the many blessings He has delivered us, for the freedoms we enjoy, for the richness of our fields and factories, for the promising future we face together. The "thanks" we offer are indeed from deep in all our hearts.
