City and Country School Is Opened To 195 Students

The City and Country school in Bloomfield Hills opened the school year with 185 students. Completion of a new dining room and all-purpose room enabled the school to open a third nursery school group.

New teachers this semester include Rene Schrack, Birmingham, and Mrs. Pat Jennings of Troy in the nursery school; Pat Kerkamer of Birmingham, second grade; Mrs. Flora Lallive, fourth grade; Mrs. Mary Marlin, music; and Mrs. Ruth Weisenbaum, fifth grade.

The kindergarten began the school year by making bird apple jelly. The fifth grade is making a family of rag dolls for the nursery school.

The senior class girls are planning a panel discussion on "Fears of Nursery School Children" soon to be given over the Detroit Board of Education radio station.

The entire senior class is working on the school annual.

Second graders are concerned with a weather project while the project chosen by the third grade is about early American life. A medieval life project has been started by fifth graders and fourth graders are making a frieze for their classroom.

Hostesses for the refreshment party are Mrs. Walter Wakeman, Mrs. Donald Jordan, Mrs. Charles Salinas, Mrs. R. H. Cummings and Mrs. Earle Parcells.

First Official Kenny Club Meeting Set

First official meeting of the Sister Kenny Anniversary club of Birmingham has been set for Oct. 7, at 8 p.m. at the Birmingham community house, according to Mrs. Cyril Lewis, president.

The board of directors of the club, which was formed last spring will report to the membership on the plans which they have been actively formulating during the summer months, said Mrs. Lewis.

Invitations have been mailed to all charter members inviting them to attend. Mrs. Lewis announced, and all persons interested in Sister Kenny work in this area also are invited to attend.

FOLLOWING the board of directors report on future plans and accomplishments to date, Dr. Ethel Hospital, medical director at the Sister Elizabeth Kenny Center newly installed at the Children's Hospital, Farmington, will present a motion picture showing actual treatment of polio victims by the Kenny method.

A coffee and cakes section will follow the meeting.

Hostesses for the refreshment party are Mrs. Walter Wakeman, Mrs. Donald Jordan, Mrs. Charles Salinas, Mrs. R. H. Cummings and Mrs. Earle Parcells.

Becomes Sales Manager

W. D. Angst, manager of the Detroit plant of Thompson Products, Inc., has announced the appointment of James C. McCracken, 575 Larches, as sales manager of the Detroit plant. He has been with Thompson Products since 1941 following his graduation from the University of Michigan. He has recently served as assistant sales manager at Detroit.
