Driver Ditched By Sleep Pills

Six sleeping pills and a drive in a pick-up truck late Thursday afternoon ended in hospitalization for William R. Brinkey, 19, of 6290 Atkins, Rochester, according to Troy township police. Grassy from the effects of the pills, Brinkey lost control of the truck which ran off Rochester road near Kelly. Brinkey was pulled from his wrecked truck and taken to St. Joseph hospital, Pontiac, where he remained until Sunday for treatment for possible internal injuries. Police said that no charges against Brinkey are being contemplated.

Rotarians See How U-Boat Was Captured

Movies of the U. S. Navy's capture, on May 15, 1944, of a German U-boat and its crew off the west coast of Africa, were shown to Birmingham Rotarians Monday noon by Lt. C. A. Weaver, Navy cadet procurement officer at the Grasse Ile Naval Base. The event—first time the Navy obtained a prize on the high seas since 1815—enabled American experts to inspect German submarine developments, Lt. Weaver explained.

WE HEARD IT SAID BY—Edward Proctor, president of Bloomfield Hills Board of Education, "All school officials apparently are presumed to be dishonest until proven otherwise. Therefore, agencies sending money to a school board send a check to the treasurer and at the same time send a notice of such check to the secretary so each official can check on the other."
