Outstanding Films Will Be Presented At Ford Museum

"Great Films of the Century" is the name of the motion picture series which opened Oct. 5 at the Henry Ford Museum in Dearborn. The program is made up through April 24, and will bring back some of the outstanding movies of all times.

Scheduled to appear this year are such old favorites as Buster Keaton in "The Cop" (Oct. 24, 25); "The Taming of the Shrew" (Nov. 7, 8) starring Mary Pickford and Douglas Fairbanks.

Silent films will be made even more nostalgic for those who remember them, by being screened to a background of piano music, similar to the type popular when the films were new.

Propose Redefinition Of 'Income Bungalows'

A redefinition of "income bungalows" will be considered at a public hearing Nov. 9, city commissioners have agreed.

Presently, the city zoning ordinance defines this classification as a two-family dwelling which has one common entrance.

The proposed new definition would eliminate the "one common entrance" feature.

Need for the redefinition, commissioners explain, was brought out by the tentative annexation of the 40-acre property on the east side of Adams road, in which it is proposed to erect single family and duplex dwellings.

Modern Art Takes a Licking!

Did you know we had a real artist in town? Yes sir! Handy Jackson was a contributor to the Sculpture Exhibition at the Centerville Fair last week.

His work was streaky pink and curved all around sort of streamlined. Caused quite a stir. Nobody was sure what it was supposed to represent, but some liked it and thought it was good art. Handy gave me the lowdown:

"Why, it was nothing but a piece of cattle salt our cows have been lickin' at for months. I just had it mounted. Fooled a lot of folks—one fellow even wanted to buy it!"

From where I sit, Handy's "modern art" just shows how some people can be led astray. Some even get to be "experts"—especially about the other fellow's business. Whether it's art or music, or a simple thing like choosing, say, beer or milk with a snack, we should live and let live. There's no call for either of us to set ourselves up as a "model" for the other!

Red Cross Maps Training Program For Nurses' Aides

New classes for the training of volunteer nurses' aides are opening Oct. 20, according to Mrs. John A. Logan, chairman of this division for the Oakland county chapter.

Classes will be held at St. Joseph Mercy hospital, Pontiac. Not designed to train women for paid positions, the course will prepare volunteer workers for duty in south Oakland county hospitals and service with the Red Cross bloodmobiles.

"There is a great need for this type of volunteer," Mrs. Logan said, "and in the event of a disaster, we would have no time to train them."

APPLICANTS, she explained, must be between 18 and 55 years, good health and have had no recent illness. The eight-hour course consists of classroom and practical work in the hospital. Groups meet three days a week, starting at 9 a.m. for four-hour sessions.

Mrs. Logan will interview applicants from the area north of 14 Mile road Oct. 19 and 20, at Red Cross headquarters on West Huron in Pontiac. Interviews will be between 10 a.m. and 4 p.m. South area applicants will be interviewed on Oct. 20 and 21 by Mrs. Ralph Schowalter at her home, 3082 Catalpa drive in Berkeley. She, or the Pontiac or Royal Oak Red Cross officers may be contacted for appointments.
