

Halloween Committees Ironing Out Problems

"Wonder what Charles Shain, Wylie Bell and Joseph Stroup would say if they could see the Halloween party today," was the comment of Chairman Roland Reese Tuesday at the first 1953 committee meeting.

Current workers thought back some 20 years or so when the community party idea originated in an effort to curb an out-of-bounds juvenile problem. More persons are listed as committee workers today than there were participants in those earlier affairs.

Committee members spent an hour and a half Tuesday juggling times and places in an effort to have the current party function smoothly.

The Hill-Baldwin school area was eliminated as the food line site, due to congestion, but will be retained as the starting point of the parade. The line will march promptly at 7:30, traveling north on Chester to Maple, east to Woodward and south to 6th point approximately in front of the Davidson shop.

TEN FOOD tables will be set up across Woodward avenue, an increase of four over previous serving areas.

Another innovation will be the entertainment in the Briggs parking lot, where the parade will end, for pre-school youngsters and children of the first three grades.

"These children, and their parents, have been neglected in the past," Reese said, "and we hope this new feature will make a more enjoyable evening for them."

PARTIES WILL be held for the fourth, fifth and sixth graders, junior and senior high school students, as in the past. Final plans have not been made since it appears some changes in those scheduled.

Maples Blanked By Mt. Clemens

By BOB BEATTY

The Maple varsity football team got off to a poor start last Friday night when Mt. Clemens handed Birmingham its first defeat in league competition this year 6 to 0 on the Hathers field.

Birmingham's defense did an exceptionally fine job, especially in the first half.

During the first quarter, the Bathers never got past their own 47-yard line.

In the second quarter, however, Chick Wiley, Bather tackle, picked up Maple fullback Dave Allen's fumble and raved 10 yards for a Mt. Clemens touchdown only to have it called back on a clipping penalty.

Near the end of the half Bill Thomas, Mt. Clemens star right halfback, ran the ball to the Maple 11 yard line. With over a minute to play in the half, a Bather touch-down seemed assured, but the Maples only dug in deeper and allowed the Bathers to get no farther than the four-yard line.

ON FOURTH down, Thomas tried skirting left end only to find Maple end Chris Christie waiting for him, and he was knocked back to the 12 as the half ended.

Mt. Clemens scored his only touchdown in the middle of the third quarter. Thomas broke through the Birmingham defense and ran the ball 40 yards downfield to the Maple eight yard line where half-back Payson Chapman nailed him.

On third down the Bather line broke open a hole for Thomas, and he plunged half a yard through his left tackle for the score.

The Maples' main trouble was with the offense. Forest of all was their passing with 16 attempts, four completions, and two interceptions.

Jerry Wedge and Allen sparked

led may be made. Reese with his co-chairman, Lyman J. Craig, Jr., co-ordinators Mrs. C. L. Miller and Malcolm Adam with recreation board members Mrs. William H. Jackson and Frank Whitney will discuss these plans later this week.

Committees have been appointed to handle the manpower problem involved in setting up tables, carrying food, distributing food and cider, policing lines, judging and awarding prizes.

Entertainment chairmen are working on the types of amusements which will be offered at the three parties, with a final announcement of a motion picture for the lower grades.

WORKERS ARE busy with the annual solicitations among merchants and professional men for donations of prizes or cash.

Reese said further details would be ready for announcement next week and stressed the fact that each school will prepare full information for children to take to the party. That way they may be able to get the kids to bring it all home.

"I don't know how much these youngsters remember to carry all the way home or how much they drop between home and school," Reese commented. "Maybe the folks had better remember to keep asking if the lists, tickets and information have been handed out yet. That way they may be able to get the kids to bring it all home."

The Maple basketball team, Allen with his powerful running, and Wedge with his superb kicking which got Birmingham out of jams on several occasions.

This game was the first league win for Mt. Clemens. Birmingham needs Fernvale tomorrow night at Pierre field for the second game of the season.

Area hunters will find that Farmington township will be closed to hunting this year as voters approved a hunting ban in the township by a 780 to 382 vote Monday, Oct. 5.

Farmington now joins the townships of Bloomfield, Southfield and Troy in closing their areas to hunters.

A&P

Customers' Corner

Thanks to Our Friends... Old and New

We're celebrating our 94th birthday this month, folks... thanks to our loyal friends and customers.

Your A&P was founded on the principle of bringing more good food to more people for less money. Living up to that policy takes some doing... but every loyal A&P employee is doing his or her best not only to make that policy work, but to improve its working!

If you have any ideas as to how we can serve you better, please tell your A&P manager. We're 94 years old... but still young enough to learn!
