brighten your home with  
Surrewood  
the varnished wall panel  
Surrewood is a hand-homely featured surface that blends with modern or traditional furnishings. Sound and open knotholes add to its dramatic, rustic appearance. It can be left natural or stained to produce existing 3-dimensional effects on walls and ceilings. And once you install and finish SURREWOOD panels, you never need to redecorate. All it needs is an occasional washing.  
SURREWOOD is inexpensive, too! The panels are so easy to handle and install that you can even do the job yourself. So, before you buy any wall paneling for your new home or for remodeling, stop in and see SURREWOOD first.
