Foxcrofters are still talking about the thumping success of the big outdoor western barbecue last Sunday afternoon. Over 200 turned out for the event, sponsored by the Foxcroft Improvement association, under the chairmanship of Mr. and Mrs. Ellsworth E. Kramer. Assorted games, baseball, shuffleboard, pony rides for the little fry and mountains of food lured fresh from the barbecue pit constituted an event desired for a repeat next year. Plans are already afoot for the construction of a permanent barbecue in the park area of Foxcroft and indications are that it will be an annual get-together.

Last Saturday the latchkey was out for Mr. and Mrs. Edsel C. Linn and two children, who arrived from Toledo for a weekend visit with Mr. and Mrs. Thomas C. Carter of Worthington road.

Also entertaining houseguests recently were Mr. and Mrs. William M. Warner of Truher road. Visiting them for several days were Mr. and Mrs. Arthur Swift of Grand Rapids, formerly of Birmingham and Royal Oak.

A delayed 40th birthday party was finally celebrated last Sunday afternoon, marking the tenth anniversary of Paul Kasameyer, son of Mr. and Mrs. Alfred Kasameyer, of Worthington road. The affair, originally scheduled for earlier in the month, was postponed because of illness in the community. Consequently the bottled enthusiasm of a batch of 40-year-olds had to be siphoned off in football, movies, a winner roast and blowing out candles. Guests who kept the Kasameyers busy were Steve Dilz, Jack Davis, Jeff and Johnny Cook, Randy Smith, Richard Garlick, Bruce Knight, Van Blakeman and David Roberts.

No doubt a goodly amount of brother-and-sister chitchat transpired during the recent ten day visit of Mr. and Mrs. Marvin A. Roberts of Kitchener, Ontario, at the Wing Lake road home of Dr. and Mrs. Wallace M. Couts. Roberts is a brother of Mrs. Couts.

In response to local inquiries about the new Sister Kenny Hospital at Farmington, formerly located in Oakland County, many will be interested to know that a personal tour of inspection on open house day Sept. 15 disclosed many encouraging facts.
