**Grand Haven Is Setting Of Brooks-Jacobson Rites**

Baskets of white daisies and mums, delphinium and larkspur decked the altar of the First Presbyterian church of Grand Haven for the wedding of Marilyn Elina Jacobson and Richard Gale Brooks. The single ring rites were read by the Rev. Wallace Robertson at a candlelight ceremony at 5:30 o'clock, August 29.

The bride was gowned in heavy regal satin featuring an off-the-shoulder neckline edged with a ruffle of rosepoint lace and a yoke of silk illusion net. The cathedral train fell from a semi-fitted bodice which was graced with long tapering sleeves. Her three-tiered veil was held in place by a coronet of rosepoint lace. The cascade bridal bouquet was of white orchids, gardenias and stephanotis.

Mrs. John P. Richardson of Detroit was her sister's matron of honor. Mrs. Robert M. Mercereau of San Francisco, sister of the bride, Mrs. Philip H. Frandsen of

San Francisco, and Mrs. Charles N. Jacobson of Spring Lake were bridesmaids. Martha Ann Erickson of Grand Haven, cousin of the bride, acted as junior bridesmaid and Victoria A. Jacobson of Spring Lake was flower girl.

The attendants wore identical gowns of white embroidered organdy over light blue taffeta with wide blue taffeta sashes tied in large bows. White organdy shoulder jackets topped the strapless bodices. Coronets of daisies formed the headpieces and they carried crescent mock daisy baskets with blue delphinium.

Best man was Walter H. Tenning of Chicago, assisted by Charles N. Jacobson of Spring Lake, David I. and Alvin E. Jacobson, Jr., of Grand Haven, all brothers of the bride, William G. Swanson of Newberry, Hayden D. Palmer, Jr., of Pontiac, and John P. Richardson of Detroit, ushers. John P. Richardson, Jr., nephew of the bride, was ringbearer.

Mrs. Jacobson wore a royal blue and silver lame floor length gown with royal blue wreath hat. Mrs. Brooks chose light mauve and brown lace over taffeta with mauve velvet hat and gloves. Both mothers had corsages of white slipper orchids.

Spring Lake country club was the scene of a smorgasbord dinner for approximately 450 guests following the ceremony. A tiered wedding cake centered the satin bridal table in the ballroom. The new Mrs. Brooks wore a light blue tweed suit with light blue leaf velvet hat and navy accessories for her honeymoon through the north. An orchid corsage was pinned to her shoulder.

The couple will be at home in Ann Arbor Sept. 29, while Richard completes dental school.

Marilyn's parents are Mrs. and Mrs. Alvin Jacobson of Grand Haven. Richard is the son of Mrs. Maude E. Brooks of Henrietta street and Dr. Glenn Brooks of Rochester.

**Look what your FORD dollar buys!**

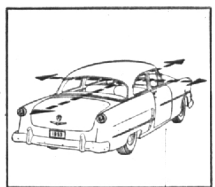

Check the features below against any car in the low-price field and you'll see why Ford's worth more when you buy it...worth more when you sell it.

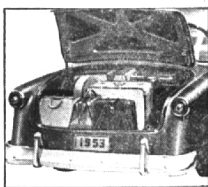

**V-8 POWER** is yours in Ford—but not in other low-priced cars. It's the product of Ford's experience in building over 13,000,000 V-8's! Ford's high-compression, low-friction Mileage Maker Six with Overdrive, is the Economy Sweepstakes winner.

**ROAD-LEVELING RIDE** reduces front end road shock alone up to 80%. Wide front tread, diagonally-mounted shock absorbers take tilt out of turns. You'll discover in the '53 Ford that a car need not be excessively heavy to ride smooth as silk.

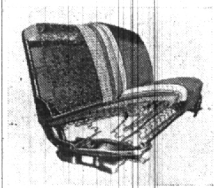

**FULL-CIRCLE VISIBILITY** is yours in Ford. With huge, curved, one-piece windshield, car-wide rear window and "picture windows" all-around, Ford has more "look out" area than any other car in the low-price field. I-REST tinted glass also available.

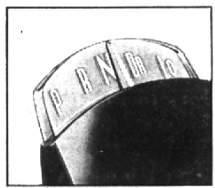

**ROOMY TRUNK** is one suitcase bigger than any other luggage compartment in Ford's field—bigger than you'll find in many of the expensive cars. With Ford's Center-Fill Fueling, there's no long gas-fill pipe to eat up your trunk space.

**SUSPENDED PEDALS** make braking and clutching easier...allow more clear floor space...eliminate dusty, drafty floor holes. This feature, exclusive to Ford in its field, permits dash-mounting of brake master cylinder for easy accessibility.

**FOAM-RUBBER CUSHIONS** over non-sag springs in Ford's sofa-wide seats make even long trips a treat. And you'll find that only Ford in the low-price field offers this fine-car feature as standard equipment on both front and rear seats in all models.

**FORDOMATIC DRIVE**—an optional extra—on really fast automatic drives in one. It has a fluid torque converter for smooth, steady power flow. It has automatic gears for driver "get-up-and-go." Ford also offers you Over-drive and Conventional Drive.

**MASTER-GUIDE POWER STEERING**—an optional extra on V-8 models—gives you the natural "feel" of steering on the straight-away yet takes the work out of turning. Absorbs road shocks before they reach the steering wheel—adds to safety.

**Will-O-Way Will Close With Oppenheimer Play**

"Here Today," a comedy by George Oppenheimer, opened Tuesday, Sept. 1, at Will-O-Way Playhouse as the final offering of the season by the Bloomfield Hills straw-hat theatre. It will continue through Sept. 13.

Highlighting the cast are Minnie Jo Curtis of television prominence, as Mary Hilliard, brilliant and incurably playful playwright, Gerald Harrington as Philip Graves, Mary's ex-husband and novelist, and Robert Bryson as Stanley Dale, wise-cracking friend of both Mary and Phil.

Supporting roles are filled by Bettie Tod as Claire Andrew, charming Boston Back Bay heiress; Treasa Way Merrill as Mrs. Winifred, Claire's blue-blooded mother; and Burton Wright as Spencer Grant, also of Back Bay vintage and one of Claire's suitors.
