

Lathrup Engineer Gains Top Post At Kelvinator

Dr. William Mikulas, 19558 Bungalow drive, Lathrup Village, has been named chief engineer of Kelvinator division of Nash-Kelvinator Corporation.

At the same time, Dr. Lawrence A. Philipp, vice-president in charge of Kelvinator engineering, was appointed vice-president of appliance engineering and research.

As head of the Kelvinator engineering department, Dr. Mikulas will be responsible for all current product engineering and all immediate product development engineering. He has been Kelvinator's assistant chief engineer for the last five years.

Dr. Mikulas joined Kelvinator in 1936 as chief metallurgist. During the World War II period, 1941 to 1944, he was assistant supervisor of quality at Nash-Kelvinator's aircraft propeller plant in Lansing. He has been assistant chief engineer for Kelvinator since 1949.

A University of Michigan graduate, Dr. Mikulas received his S. S. degree in engineering in 1932, his master's degree in 1933 and completed his Sc. D. work at the university in 1936. He taught in Ann Arbor while an engineering student and later was an instructor at the University of Iowa. He is a member of Tau Beta Pi, Sigma Xi, Phi Lambda Upsilon, the American Society for Metals and the American Ordnance Association.

He is a trustee on the Southfield Board of Education.

Decorator Speaks To Kappa Thetas At Thursday Meet

Afternoon and evening groups of Kappa Theta will join for a meeting at 7 p.m. at the home of Mrs. Hobart Andros, 1033 Glengary road. Assisting the hostess at this dessert meeting will be Mrs. Charles Seftok, Mrs. C. F. Beukema and Mrs. Phillip Benton, Jr.

Program will consist of a talk on interior decorating by Miss Gay Weissmiller, operator of Gay's Village Shop in Birmingham.

At this meeting additional plays will be made for the annual apron and bake sale to be staged April 30 and May 1 at the Village Store.

Sears Setter Takes Additional Honors At Chicago Show

Another upset was scored by Ch. Ludar of Blue Bar, an English setter owned by William C. Sears of Bloomfield Hills, when he bested two champions in the sporting group competition of the Chicago International Kennel club show.

Blue Bar defeated another Birmingham dog, Ch. Frejax Royalist, owned by Fred Jackson. In addition, he gave Charnor's Rise and Rise another defeat, having previously topped the Westminster show winner at the annual AKC show in Detroit last month.

Another Birmingham winner at Chicago show was Ch. Slowpoke Hubertus, basset hound owned by Chris Teeter.

On Six-Month Visit

Mrs. Thad E. Leland of Palo Alto, Calif., formerly of Birmingham, is here for 6 months visiting her daughter, Mrs. Karl F. Meyer

of West Long Lake road, Bloomfield Hills. Another daughter and son-in-law, Mr. and Mrs. Julian D. (Dorothy) Smith, have also been visiting Mrs. Meyer and will leave Friday for their home in Lima, Peru.

Aviator (explaining crash) — I just happened to get into an air pocket.

Sympathetic Old Lady — Oh, dear! And I suppose there was a hole in it.

DR. WILLIAM MIKULAS

Pi Beta Phi Plans Founders Day Meet

A Founders Day program has been planned for the April 13 meeting of Pi Beta Phi, when Mrs. G. T. Ethridge will speak and show motion pictures on the activities of Holt House.

The group will meet with Mrs. William McNary, 1431 Fairway, at 8 p.m. She will be assisted by Mrs. A. J. Daley, Mrs. Warren Weirich and Mrs. Charles G. Kinnison.

From where I sit... by Joe Marsh

Easy Does It—Again!

Ladies Aid Society had their rummage sale the other night—and as soon as the doors opened, "Easy" Roberts was inside.

Without a word, he headed straight for the coat counter, picked out a shabby old tweed jacket, and paid for it. "Easy" told me a little later that buying his jacket back was getting to be a regular habit.

"That's been my favorite smoking jacket for years," he said. "And my wife talks me into giving it away regularly. Then I get to thinking how much I like it and hurry down to buy that jacket back. This is the third time I've done it!"

From where I sit, everyone's entitled to his own likes—whether it's a sports jacket, a baseball team, or the beverage he likes for dinner. For example, the wife likes coffee along with Saturday night spaghetti while I like a glass of beer. We never try to "sell" each other on our personal preferences.

Joe Marsh

From the world's largest maker, a completely new kind of V-8

The V-8 engine has come a long way since Ford introduced its first V-8 over 22 years ago. During these years, preference for the V-8 engine has grown steadily . . . and today there are twice as many V-8's being built as there were right after World War II. This demonstration of car buyers' preference is proof that the V-8 engine is best suited to modern motoring needs.

For 1954, Ford has stepped even farther out front with the revolutionary new Ford Y-Block V-8 . . . the most modern "eight" in any car at any price! This new deep-block, low-friction engine brings you even smoother, quieter power . . . even longer engine life and less gas waste. And this great, overhead-valve V-8 costs less than any other "eight" . . . less than practically any other "six," too.

But the new Y-block V-8 engine is only one of the many "Worth More" features you get in a V-8 Ford. You also get the smoother riding and easier handling of Ford's new Ball-Joint Front Suspension. You get your pick of 14 brilliant new body styles—with trend-setting interiors. And you can have power steering, power brakes, power windows, power front seat, and Fordomatic Drive as options.*

Come in and try the "V" in the **1954 FORD**
