Team Mates Gather For Picnic Supper

Members of the American Legion Blues baseball team eased aching hearts Sunday, at the home of their team mate Arneuld Issette with an outdoor picnic.

The team had just returned from a pitchers battle with the Milford Boys club. After playing 10 scoreless innings, the local boys saw the game slip out of their fingers when Milford scored one run.

Back home, they recovered quickly to wade through quantities of hamburgers, fresh corn, soft drinks and all the "fixins". Arneuld was assisted by Brenia Friess and Lynn Issette who served as waitresses and co-hostesses.

His guests included co-managers Mike Groves and Jack Watkins and players Dave Poole, Howard Foote, George Miller, Bob Bell, Don Ostermeier, Don Picmann, Ray Sisk, and "The Train," Dick Caverra, Bill Coons, Bob Pass and Dick Hanselman.

County Chapter Seeks Additional Funds for Polio

"We are facing a grim financial crisis in the fight against polio," Carl W. Donelson, Oakland county chairman, National Foundation for Infantile Paralysis announced today.

He explained that volunteer workers, including boys and girls from Scout organizations, were cutting into vacation time to prepare 75,000 emergency March of Dimes appeals. These will be mailed throughout the county.

"The crisis arises," Donelson explained, "from a combination of the greatest patient aid load in the history of the Foundation and our very costly new program of polio prevention."

"Many of the patients we are aiding are those of previous years. This included assistance with hospital bills, braces, wheel chairs, medical and physical therapy care.

"We ARE NOW entering the current season with other new patients being added to this list almost daily. If we are to continue the fight against polio we must raise a great deal of money right now. If we do not, we can quite probably consider what we have already done this year as lost."

Donelson said that, in addition to direct mailing contacts, canisters would be distributed through business places in the area.
