

Roeser To Review Union Requests

SOUTHFIELD — Changes in personnel policy urged by union workers of the township will be negotiated by supervisor William Roeser, board members decided Tuesday night.
The union seeks to have sick leave time available to workers for situations that "arise within workers' immediate family such as deaths, weddings or illnesses."

by poirette

Once in a great while a store like ours is privileged to present a great girdle innovation... such as PROMISE... Here is the girdle that goes higher than high (4 inches above the waistline), lighter than light, also the amazing patented BIANCO control that takes care of hips, thighs, seat, abdomen with undreamed of comfort. It's softer, smoother... higher, lighter, tighter than any girdle you've ever worn!
