

IT WOULD SEEM THAT SANTA'S reindeer ran out of oats and enlisted the aid of a truck to complete the trip from the North Pole. Actually, Santa and the reindeer are modded hard rubber figures en route to either a home or commercial display for the Christmas holidays. The life-size figures are but two of 32 items in the real-life and king-size display line being retailed locally by Estate Enterprises, 610 N. Woodward, and on display at the Olsen Landscape Service, 32185 Southfield road. The figures range from all of the cast of the Nativity scene to the Dickens Carolers. Partners in the firm are Arthur and Walter Aldrich who hope to continue other models for commercial use on a year-round basis. (Eccentric Photo)

# SANTA IS HERE

AND HOW!

We're all aglow with holiday spirit... and all a-brim with the kind of gifts that Christmas dreams are made of. If it's for a man, we have it and he'll like it.

**THE SHIRT THAT'S TAILORED  
LIKE A JACKET!**

**Excello  
Shirts**

from  
**\$5.50**

Here's a new, different concept of making a fine shirt with the ultimate in perfect fit and smooth appearance. Excello shirts, like jackets, are tailored on patterns built on curves...like the human torso. They are sewn on lockstitch machines to maintain those curves. The result is your form in fabric...a shirt that fits as if custom-made for you alone.

The luxurious fabrics are cut by hand, and are distributed in a way that prevents bulging, sagging or bunching. And as the last word in comfortable design, the sleeves are set in at a natural angle, just as your arms are. We have these fine shirts in a handsome variety of the new shades, designs and collar styles.
