Program for the Poppleton P.T.A. was dramatized in a skit presented by members of the P.T.A. Final arrangements were made for the January meeting set for Jan. 14, when a square dance will earn funds for the recreational fund.

Dance Club Launches Yuletide Activities

Riverside Dance club members and their guests danced in a winter wonderland of shimmering snowflakes, stars and multicolored balloons at the club's Tinsel Ball, Saturday night at Birmingham Country club.

Creator of the setting, centered by large silver Pierre and Pierette figures suspended from the ballroom's central chandelier, was Mrs. R. D. Detwiler of Devonshire road, assisted by Mrs. Jack Healing of Bigwood road.

Special attractions at the party were Cher "Santa Claus" Gullett of Riverside drive, who distributed gifts from his large pack among the crowd, and the "Four Notes" a promising young quartet composed of Mary Lester, Ruth Ann Heinrich, Beth Collins and Sue Beales, with their pianist, Ginny Hightson. After singing several Christmas songs, the girls encircled appropriately with a rendition of "Down by the Riverside."

HOLIDAY GUESTS

The Christmas holidays will suddenly materialize this weekend for two area families whose sets will be home for Christmas. Don Dorrough arrives Sunday from Dagmonts college, to spend two weeks with his parents, the Jere Dorroughs of Beaufield road.

Bill Zehede is expected home from Western Military academy Saturday, for his Christmas vacation. His father, Arthur Zehede of Riverside drive, returned last week from a week's business trip to Hollywood, Fla.

CUB CAROLS

When the boys of Cub Pack B-24 met last Monday night at Beverly school, they spent the evening singing Christmas carols which they donated to the school. They are already looking forward to Jan-

uary's program, which will have railroading as its theme.

HE GETS AROUND

Probably one of the most widely traveled men in this area, is E. E. Spander, of Hillcrest road. As president of the American Incinerator corporation, and active member of the Air Pollution and Smoke Abatement association, Spander has been called to practically every section of the globe "on business." After a 10-day stopover at his home, he left for Los Angeles last week, where he has been working since September, with the city smoke inspector.

SMOKE WELCOME

Speaking of smoke, the James Leach of W. 14-Mile road, has had more than enough of it, since their return from Florida two weeks ago. As a result of furnace trouble during their absence, armies of wall and carpet cleaning men have had to be called in, and the draperies sent out to the cleaner's postchase.

During their trip down Florida's east coast and back up the west coast, the Leaches particularly enjoyed Marrietta near Fort Lauderdale, and Cypress Gardens. They spent a week at Thanksgiving time in Hialeah with her cousin, Miss Carol Cunningham, and stopped at Bowling Green, Ky., on their way north, to visit the George Pattersons, formerly of Fernald.

Also vacationing in Florida recently, were the Hugh Kitchens, who returned Dec. 11 to their Devonshire road home. With Mr. and Mrs. Ken Wood, of Toledo,

WELCOME NEIGHBORS

New arrivals from Mason City, Iowa, are Mr. and Mrs. E. M. Biemcke, who moved to 1815 Kinross road, about six weeks ago. He is assistant manager of Standard Oil Co., in Detroit.
