Christmas House
Presents for Your Approval, A New and Varied Collection of
LAMPS Table - Floor & Desk

George Jean Nathan once said—
"One of the most beautiful of all things is a beautiful lamp. Nothing in the world, save it be music, can soothe and set adream the mood of mortal man. The past and all the present and some of the future are encompassed in its soft, persuasive glow. It is the symbol of love, of home, of wistful and poignant fancy, of all the hopes and despair of man's life on earth. God made the sun and moon and stars, but man, His child, out of necessity made for himself the lamplight—a honor and a haven for the innermost secrets of his heart of hearts."
