FHA shaming at a home improvement, Sheridan said. He was aided in its design by his son, Nick, 19, a Wayne university physics student, who has studied atomic blast and radiation effects.

THE SHELTERS are precast in groups of 10 and are trucked to the location where they are to be installed.

Sheridan believes there will eventually be several dozen in the area, depending on the seriousness of the international situation.

**Christmas message to a family man**

Your wife works hard—the year around—to make a real home for you and the children. That's something you should never forget—least of all at Christmas time.

Her hardest and most distasteful job is tedious hand ironing. This never-ending, backbreaking chore eventually takes its toll on her health, her energy, her youthful appearance. And it's all so tragically unnecessary!

When you give your wife an Ironrite Automatic Ironer, you give her an entire lifetime of freedom from needless drudgery. When she irons the restful, timesaving Ironrite way, she'll look younger, feel better, have lots more time for you and the family. Right from the start, she'll save over 50% of the time she now spends at tedious hand ironing!

An Ironrite may sound like an awfully practical Christmas present, and it is. But, we ask you—when you think of what it can do for her—what better Christmas gift could you select?

See your nearby Ironrite dealer now. Let him help you plan the greatest Christmas surprise ever!

P.S. Get her something frivolous and personal, too!

CHRISTMAS SPECIAL  
**ONLY \$199.95**

There's an Ironrite to fit every home and budget!
