## Tween-Hi Scouts Meet British Girl In Service, Education Program

Service and education were emphasized when nearly 200 Girl Scouts of early teen-age met in the Maple room of Birmingham High school last Wednesday night.

An English girl spoke of life in her country, following the "neighbor" theme set in the program of Christmas carols of other lands that opened the city-wide scout gathering.

The Tween-Hi Scouts of the Birmingham district heard the native of Wiltshire, England, Dendy Evans, tell of her home and school life here as a foreign exchange student in the United States.

She is under the American Field Service International Scholarship

plan and is living with the Irving Benson family of Livonia. A senior at Bentley High school, the slender brunette 19-year-old talked informally with the Tween-Hi Scouts in conversational groups after her speech and program.

**FRUIT PUNCH** and cookies were served, winding up the program that echoed scouting's founding in England by Lord Baden-Powell.

Miss Evans was introduced by Mrs. V. A. McIntosh, who said, "Our Scouting program, spreading from England, around the world encourages the understanding and friendships of young people of all countries. A Girl Scout is a friend to all and a sister to every other Girl Scout."
