Newspapers submitted early is necessarily given preference, so the "early bird" usually gets the space.

QUARTON SCHOOL STUDENTS, commemorating National Book Week, look at some of the displays arranged at the school to stimulate interest in reading. Under the director of Hope Lindstruth and other teachers, students built displays and made posters to illustrate various books. The display will be kept intact for a parents' open house.

**Enjoy SOFT WATER for a LIFETIME...
ever-soft**

STAINLESS STEEL WATER SOFTENER

This gleaming, stainless steel cylinder is the most durable, most modern softener you can buy. Rust-proof, non-corrosive, it lasts a life-time. Filled with Dowex, the amazing softening mineral created by Dow Chemical Company, Ever-Soft brings your home the luxury of unlimited soft water.

It's the only appliance that saves you more than the monthly payments you buy it. For proof see government figures.
