

**WOW! WAS THE SILENT EXCLAMATION** of The Eccentric photographer when he appeared at the Birmingham office of the Detroit Edison company to take a picture of Helen Hartwick, 1951 queen of the Detroit Press Photographers Association. As personable as she is beautiful, Helen Hartwick will share some of the sunshine she spreads around Edison's Birmingham office at the press photographers ball at the Sheraton Cadillac hotel on February 27. Helen is a 19-year-old Berkley girl.

**Housewarming Surprises The T. Hollister Mableys**

Friends of the T. Hollister Mableys surprised them with a home warming at the Mabley's new home on Lowell court in Bloomfield Hills. Each of the 25 couples present brought a "willy" white elephant gift, such as a button book, flower pot, an assortment of out-crown toys and Christmas candy canes. For the enjoyment of all, the group also went together and bought the couple another gift. A midnight luncheon was served before the guests departed.

**Maple Tankers Sight Sixth League Title**

An undefeated Maple swimming team is favored to walk off with its sixth straight League championship next Thursday when five Eastern Michigan League squads battle it out at Ferrdale.

Seven years ago, when the League was formed, a young Maple team surprised everyone by giving M. Clemens a rough time. Finally taking second place right behind the Bathers. Since then it has been nothing but wins for the Birmingham tankers.

This year there are only a few obstacles between them and the League crown. Clayton of Hazel Park and Leonard of Ferrdale are top contenders in the 100 yard backstroke, but Maple Dick Schwarz has been steadily improving his times and will give them a good race. Competition in the 150 yard individual medley will probably be between Maple Captain George Stinnett, who last week smashed the school record in the event, and Denny Ford, Ferrdale star. The preliminaries will be held at Ferrdale next Thursday afternoon, with the finals at 7:30 in the evening.

**Lathrup Acts to Hire Temporary Dog Catcher**

Lathrup Village councilmen Monday night instructed City Administrator Leonard A. Watchowski to hire a dog catcher on a temporary basis for the city in an attempt to bring dogs under the 90-day quarantine now effective in the area. "Our people are just not cooperating with the quarantine and probably will fail to do so until they realize that the city means business," Mayor William H. Harvie stated.
