Vaughan Helps In Pollo Drive

The "Fighting Dime" made its appearance last week at Vaughan school for the first time in the history of the "March of Dimes". It is being worn by a majority of students who have contributed one dollar or more to the campaign which was sponsored by the Birmingham Youth Council. The drive netted about \$300 in the elementary school.

There has been plenty of activity in the classrooms since the first of snow so far this winter outside there are plenty of snow scenes in the classrooms. The kindergarten even has a snowman made of cotton and a mural with people skating and skiing. Similar scenes can also be found in the first and fourth grade rooms. For a change one can step into the fifth grade room and imagine they are in the sunny South as they view a mural of Florida.

Maple Cagers Face Port Huron Friday

By Don Dorough
The Maples return home Friday night to face Port Huron in their first home game of the new year with Birmingham trying to get back on the winning trail after dropping two straight league contests.

The Maple record now stands at five wins and two defeats while the Big Reds are just the opposite with a 2-4 mark. In league competition Birmingham stands 1-2 and Port Huron stands 0-3.

It Takes A HEAP OF HAULING ...to make a Home!

IF YOU'VE BUILT a new home recently—or are in the midst of doing so now—you know how dependent building is on motor transport.

From the moment the big excavating shovel arrives at the vacant lot astride a low-bed truck-trailer to dig the hole for your basement, it's a steady procession of trucks of one kind or another until the house is ready for occupancy.

Cement blocks, sand, steel, lumber, roofing, brick, plumbing, hardware, paint—everything that goes into the building of your home has to get to the site in motor trucks.

Then, when you arrive at the point where you're ready to move in, you call on motor transport again to transport your household furnishings for you.

If you've got it, a truck brought it!
