KOREA—Raymond L. Grable, 29, son of Mr. and Mrs. Raymond Grable, 6840 Coolidge highway, was recently promoted to corporal while serving with the 397th Field Artillery Battalion in Korea.

Cpl. Grable, whose wife, Ila, lives at 685 Second street, Pontiac, arrived in Korea last July and has been serving as a typist in Service Battery.

A 1951 graduate of Avondale high school in Auburn Heights, he was employed by the General Motors Corp. in Pontiac before entering the army in November 1952.

JOHN McQUIGG, 22, having successfully completed the initial phase of his aviation cadet training program, has been graduated from the USAF Pre-Flight School, Lackland Air Force Base, San Antonio, Texas. He is the son of John McQuigg, 1395 Willow.

### Ask Clarification Of Organization Of Forest Lake

Committee members seeking restoration of Forest Lake Country Club to a private status have complained that false information is being circulated concerning the part the committee is playing in the organization of the club.

Blain E. Eymon, temporary chairman of the membership committee stated, "No person in any way connected with the development of Forest Lake as a private club will receive any money or any other consideration as a result of his work or interest in the plan."

All members, including the originators of the private club plan, Fred Handren, Howard Neilson and myself, will pay exactly the same amount for membership," Eymon continued.

"ALL OFFICERS and the board of directors will be elected by the membership and all present officers and committee chairmen hold their offices on a clearly stated temporary basis," he concluded.

Interest appears to continue high in the club and the committee has decided to continue to hold the club open on Saturdays and Sundays from 12 noon until 5 p.m. to allow persons to inspect the club on Forest Lake near the Square Lake road and Franklin road intersection.

When the membership list for 256 has been filled the committee will purchase the club property from the Col. George E. Estate and start remodeling plans on the club house and grounds.
