

## Intramural Cage Program Rolling At Barnum School

Intramural basketball is now underway at Barnum junior high school.

Altogether at Barnum there are four basketball leagues. They include a home room league for each grade and an intramural league for each grade.

Intramural basketball is for varsity candidates and home room basketball is for any other boys interested. Barnum will not play other schools but will have all future sports on the intramural basis.

All games are played in the Barnum gym. Home room games are played at 3:10 p.m. and intramural games are played at 2:45 p.m.

The eighth grade teams are coached by Barnum coach Fred Gibson while Fred Radloff is in charge of the seventh grade teams.

**EIGHTH GRADE** captains for the intramural cages include Pete Green, Dave Muhltner, Bob Stephenson, Bill Strossen-Reuter and Leonard Willis.

John Dixon, Fred Schwazke, Jeff Boucher and Richard Duncanson are the seventh grade intramural captains.

**THE SHOT THAT WON** the game for Green's team was a hook shot from the right hand corner by Pete Green. Green was high scorer for his team with 12 points.

Willis' team had a chance to tie the game up with a foul shot with one second remaining in the game but the shot was missed. Ron Russczak was the high scorer for
