Honor Dr. Gibson At Dedication

Saginaw-county hospital and Saginaw county health department last month honored Kenneth Gibson, DDS, of Bloomfield Hills when their new hospital addition was dedicated.

Dr. Gibson has worked in the child health division of the Children's Fund of Michigan as a director, and in this office has been in close contact with all county health groups in the state.

The organization closed recently, celebrating its 25th anniversary, and fulfilling the term it had been planned for.

Dr. Gibson has announced his intention of opening an office in Birmingham in the near future.

Democrats Set Convention Date

The Oakland County Democratic convention will be held at the County Office Building, 1 Lafayette street, Pontiac, Mich., on August 11, at 8 p.m.

At this convention the delegates will be elected to attend the state convention in Grand Rapids August 14.

Name Merritt Hill Extension Chief Of Scout Councils

The responsibility of maintaining the Metropolitan Detroit Area in first place in membership among the scout councils of the nation has been assigned to Merritt D. Hill, assistant general manager of the Tractor and Implement Division, Ford Motor Company.

Hill, a member of the scouts' executive board, was appointed organization and extension chairman at the last board meeting by Scout Council President, George W. Williams.

As committee chairman Hill will preside at meetings of organization and extension committees representing the 10 districts which make up the council area. These committees make surveys of actual needs and opportunities based on population trends and potential charter institutions.

They organize new scout units as needed, help reorganize existing groups where leadership has changed and conduct annual charter reviews for existing units and their charter institutions.

Hill replaces Frank L. Klingbeil, insurance executive, who served Scouting as organization and extension chairman till his business retirement last month.

Cranbrook Museums To Close on July 4

Although the museums of Cranbrook Academy of Art and Cranbrook Institute of Science will be closed July 4 and the following Monday, the grounds of the six institutions, Christ Church Cranbrook and the Gardens of Cranbrook House will be open to visitors at the usual hours.

The Gardens of Cranbrook House, open on Saturdays from 2 to 5:30 and Sundays from 2 to 5:30, will display a wide variety of annuals, including verbena, ageratum, marigold, zinnias and annual phlox.

A small fee for adults and children is charged by the Gardens committee for the benefit of the scholarship funds of Cranbrook School and Kingswood School Cranbrook.

Evaluation Program For Polio Vaccine

Evaluation of the effectiveness of the Salk polio vaccine has already begun in Oakland county, even while clerks are still filing records of children who participated.

Each record, according to county medical authorities, is being carefully studied as the rate of new polio victims starts its seasonal climb.

Any child who participated in the study and who contracts the disease will have special attention, authorities revealed.
