

## Evening Ceremony for Sewell-Alstrom Rites

One hundred guests witnessed the double-ring wedding ceremony of Katherine Marie Alstrom and David Douglas Sewell. The Rev. Harry O. Martin read the rites at 7 p.m., July 3, in the First Methodist church.

Katherine is the daughter of Mr. and Mrs. John R. Alstrom of 727 Ruffner. David is the son of Mr. and Mrs. Douglas Sewell of 688 Bloomfield court.

The bride's waiting gown was fashioned with a fitted bodice with a scalloped effect continuing into short sleeves and a scalloped overskirt of chantilly lace. She wore lace mitts with points covering her hands. Her finger-tip veil of illusion was caught into a heart shaped coronet with sprigs of lilies of the valley.

MRS. WILLIAM B. Rupert of Wyandotte was the honor attendant. Bridesmaids were Donna Alstrom, sister of the bride, and Mrs. Robert Church of Royal Oak. The attendants were gown in aqua ballerina-length frocks with shirred tops. The matron of honor's bouquet was of yellow carnations on an ivy background with tiny red roses. The bridesmaid's flowers were pink made like the matron of honor's.

Robert Church of Royal Oak was best man. Roger Cummins and Otis Lenher, both of Ferndale, were ushers.

For her daughter's wedding, Mrs. Alstrom chose a beige lace dress. She wore a brown hat and brown shoes. Her flower was an amber orchid. Mrs. Sewell wore a pink lace dress with pink shoes and a green and white hat. She had a green orchid.

A RECEPTION was held in the church. The couple took a wedding trip to Mackinac Island. The bride wore a beige print dress with a white hat and beige shoes. In the fall, newlywed Mr. and Mrs. Sewell will live in Royal Oak. Mr. and Mrs. Frank Cleveland of Cleveland, Ohio, attended the wedding.

## School Board To Construct Temporary Rooms

BLOOMFIELD HILLS—Temporary classrooms to take up next fall's anticipated overflow of students have been okayed for construction by the board of education.

A roof and one wall will be built to enclose a semi-court at the rear of Vaughan school and partitions will provide four sub-standard classrooms designed to accommodate 100 high school students, said Eugene L. Johnson, superintendent of schools.

This will free classrooms in Vaughan school for elementary use.

JOHNSON STRESSED that this is a temporary arrangement.

"If we find we need the space after our high school is completed in 1955, we will improve the structure. If not, we will convert it to recreation area or use it for storage or garage space," Johnson explained.

Cost of the project is estimated at \$22,000. Funds will be appropriated from the building and site fund, and from the sale of Tuscorara school which is expected in about 30 days, Johnson disclosed.

WATER, HEAT and restroom facilities presently at Vaughan school will be sufficient to take care of the additional rooms, he added.

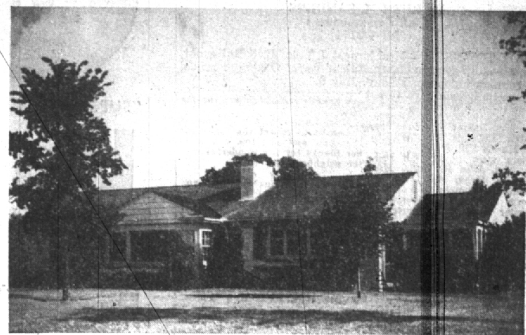

Four new teachers will be hired to staff the resulting additional elementary classes.

"Since we will use the rooms only for high school classes, no student will be in them all day. They will be very adequate from the point of warmth and comfort but will be considered sub-standard as compared to other classrooms at the school," Johnson explained.

### Bham CC To Get Drinking Fountain

Birmingham city commission at its Monday night meeting agreed to put in a drinking fountain for the Birmingham country club, at the club's request. The entire expense will be borne by the club.

## VAUGHAN SCHOOL
