### Husbands Entertain Wives at Block Party

Saturday, July 10, something new was staged in block parties when Birwood road between Pierce and Bates held a get-acquainted gathering. The unusual twist was the hosting of the affair by husbands only.

No women were permitted to take part in the preparations or cooking, in fact, they were not even allowed to participate in the clean-up operations—and the women report that their husbands did a wonderful job.

The hamburger roast took place in the backyard of the Robert Colies, and as the evening grew cool, the couples proceeded to the recreation room of Mr. and Mrs. Frank K. Russell for dancing.

Among those enjoying the evening were Mr. and Mrs. Oscar Anderson, Mr. and Mrs. William Martin, Mr. and Mrs. Emery Jones, Mr. and Mrs. John F. Cleary, Mr. and Mrs. Martin Samanen, Mr. and Mrs. Dan Borgeson, Mr. and Mrs. Edward Gates, Mr. and Mrs. J. R. Montgomery, Mr. and Mrs. George Omelianoff, Mr. and Mrs. Herb Taylor, Mr. and Mrs. Dave Falvey, and Mr. and Mrs. Robert Holbrook.

Visiting Mrs. R. C. Mellinger of Birwood road is her mother Mrs. A. T. Button of Youngstown, Ohio, who expects to be here a week.

Mr. and Mrs. Robert Buchanan of Birwood are vacationing at Higgins Lake with their children, Bonnie and Linda. They will be returning this week.

Andrea Martin, daughter of Mr. and Mrs. William Martin, celebrated her third birthday with a luncheon party for her friends Saturday afternoon. Those attending Andrea's party were Brook Borgeson, Jean Ann Cleary, Judy Hill-

Their stay here included trips to nearby spots of interest, picnics, a drive-in movie and other aspects of typical American living. The past week was full of reminiscing about the "good old days" for Mrs. Paul C. Jackson of East Greenwich drive and her house-guest, Lillian McNab from Hamilton, Ont. Childhood chums in Hamilton some years back, the two have kept tabs on each other and plan get-togethers whenever possible.

Mr. and Mrs. J. W. Jacobs and daughter, Claire, drove in Saturday morning from a two week vacation trip to the sunny south. In Atlanta, Ga., they spent a week with Mr. Jacobs' mother, Mrs. S. H. Jacobs, and relatives from round about Atlanta. From there, they journeyed on to Florida to visit Mrs. Jacobs' father who resides at Daytona Beach.

Parkhurst drive has literally sprouted newcomers. The house at 7269 Parkhurst became the new residence of the John Woodside who moved here from Detroit on June 23. Besides being a daddy to Pamela, age 8, and Paul, age 1 1/2, Woodside is an engineer at the Ford Motor company.

The moving van also stopped at 7177 Parkhurst that day to deliver the belongings of Mr. and Mrs. Robert Straley and the three Straley children, Ronald, 10; Ro-

bert, 7; and Roxanne, 3. Straley is treasurer for the National Ma-

chine Products company in Utica. Mr. and Mrs. Walter Hedley were called home to Fremont, Ind., last week due to the death of Mrs. Hedley's father, Hiram H. Pinchon. Mr. Pinchon was an active member in the American Lumberman's Association until he retired 8 years ago. Well-known to lumber dealers throughout the industry, including some in our own area, Mr. Pinchon passed on at the age of 83.

"Anyone for pinoché?" Everyone was the night of July 10 at the home of the John B. Burrell's on Sherwood drive. It was pinoché club night and those who played were the Hudson Beatty, the Harry Haighs and the Floyd Vines.

Yesterday was a very busy day for Mrs. James Traa. She entertained a foursome at a bridge luncheon including Mrs. C. C. Firth, Mrs. John Gillis and Mrs. Paul King, and then, in the late afternoon she welcomed eight more friends for cocktails. Mrs. Andrew Gerke from Florida was the guest of honor and those honoring her were Mrs. J. Lovett, Mrs. Olin Clark, Mrs. William Brown, Mrs. Nelson Jones, Mrs. Edward Morgan, Mrs. Don Jackson and Mrs. Boyd Stockmeyer.

It was a Scrabble party at the Droege house Friday night. Those who exercised their vocabularies during the evening were the Jim Bennetts, the Ralph Charbeneaus and the Alex Marn. Guess who won? Two women!

Clearwater, Fla. is minus a citizen these days. He's Herbert Barry, who is at present visiting at the home of his nephew, Harold Berry, at 32750 Labor road.

You'll find John C. Boyle, a relative newcomer from Saginaw, busy working in his garden just about every day in the week. He lives in that fascinating 125-year-old stone farmhouse at 23100 West 14 Mile road. Dividing his time between his wood-working shop on James Couzens highway and the garden behind his home, Boyle says when his garden picture is complete, it will have a beautiful lily pond, a formal garden and a picturesque patio area. And he's given himself a year to do it in!

## No Compromise This Time!

It was over twenty years ago that he took title to his first motor car—and, since that time, he has owned and driven almost a dozen different automobiles.

And yet, every time he accepted the keys to a new car, he knew in his heart that it was a compromise.

For—like so many millions of his fellow men—he had his heart set on a Cadillac!

Well, there's no compromise this time! The magic moment has arrived. The papers are all in order . . . the keys are in his hand . . . and the car of his dreams is waiting for him to take the wheel.

It's his!

And, if you could ride with him on that first journey, you'd know what it means to have a motoring dream come true.

You'd see excitement in his eyes as he rolls majestically through the city's traffic—and puts his Cadillac through its thrilling paces on the open road.

You'd see honest pride in his face as he sits, calmly and serenely in the driver's seat, and catches the admiring glances of his fellow motorists.

And you'd sense the joy in his heart as he turns down that familiar street and heads for the happiest homecoming of the year!

In short, you'd witness a motorist in his finest hour—living out an experience that has no counterpart in the world of transportation. It is a thrill and an inspiration and an education—all rolled into one.

A friend of ours put it this way, after taking his inaugural ride in his first Cadillac. "There are two kinds of automobiles," he told us. "There are Cadillacs—and there are all the others."

Whether or not you've driven "all the others", we can't say. But of one thing we are certain: Until you've spent an hour in the driver's seat of a 1954 Cadillac, your motoring education is not complete.

Why, not come in soon and do so? It would be a joy and a privilege to put you behind the wheel.
