Netters Defeated In State Meet

A trio of Maple netters invaded Kalamazoo last Friday for the state tennis finals but found the competition too tough.

Howard Johnson and Luis Vela, runners-up in the regional doubles, had the misfortune of drawing Jerry Duble and George Korol defending state doubles champs from Hamtramck, in the first round. Although the locals battled gamely, they were completely outclassed and were defeated 6-0, 6-2.

Runnerup in regional singles, sophomore Toby Wells ran into Henry Visscher of Holland, state 15-and-under champ two years ago. Wells started slowly the first set, going down 6-1, but made a real battle of it in the second before losing 6-4. This ended the season for the net men.

Foresters Seek Largest Elm

A contest to find the largest living elm tree in Oakland County is currently being sponsored by the Oakland County Foresters Association, according to William LeBold, Birmingham city forester.

The contest is being run to stimulate interest in elm trees in connection with the association's fight against Dutch Elm disease, LeBold said.

"There are many large and fine elms within Birmingham, and if they are reported to the association one of them might win the prize," said LeBold.

Following are the contest rules:

1) It must be a live single trunk elm in Oakland County.

2) The measurement must be carefully recorded in circumference at 4½ feet above ground level.

3) All entries must be mailed on a post card to William Abo, City Forester, 35 Hill Street, Pontiac, Michigan. On this post card record the exact location and size of elm as well as the finder's name, address and phone number. All entries must be mailed by August 30, 1954.

No member of the Oakland County Forester's Association are eligible to enter the contest.

The prize being offered is a large illustrated book on trees.

Southfield Man May Be Deported

Christ Nicholson, 28875 Franklin road, Southfield township, once owner of the Brown Derby restaurant on Northwestern highway and operator of a picnic grounds at the rear of the restaurant, was stripped of his U. S. citizenship last week by Federal Judge Arthur A. Koscinski.

The Federal judge acted to take Nicholson's citizenship away after it was discovered he was a member of the Communist party in the United States prior to becoming a citizen.

Nicholson, who has admitted party membership for 1½ to 2 years, may face deportation to Greece, his native country.

Late last month he appealed to the Southfield township board to help him gain a 24-hour beer permit for his picnic grounds.

Tuesday night township board members voted to deny a permit to Nicholson because of neighborhood opposition last summer to the noise at the park.

Southfield OK's Sprinkling Laws

Southfield township residents using Detroit water were officially placed under Detroit's summer water regulations Tuesday night when the township board adopted the Detroit ordinance which will be in effect from today, June 10, to September 15.

Under terms of the Detroit ordinance regulating lawn sprinkling, odd-numbered houses will be permitted to water on odd-numbered days and even houses on even days.
