Wise Stepmother

Have you heard about young Skeeter Rabort's unusual pet, the tame owl "Blinky"? He's had her about three years.

I say "her" because up to a couple of weeks ago nobody was quite sure. But now "Blinky's" a mother-of-two chicks!

Seems "Blinky" had been acting kind of strange—on a hunch, Skeeter put a couple of hen's eggs in her nest. Darn if "Blinky" didn't set on them for 5 days! Last Friday they hatched, and now "Blinky's" as proud as a mother hen! (So's Skeeter.)

Lowest Price

Big-Car Luxury and Performance at the Lowest Price of all

The closer you compare values the more certain you'll see that Pontiac is far and away the stand-out buy on automobile row.

In size and weight alone Pontiac offers you more car per dollar than a like amount ever bought before. And that's important, because that long wheelbase is the reason for comfort, riding ease and roadability unapproached within hundreds of dollars of its modest price.

Get along with these big-car features you get remarkable savings. Economy is, of course, exceptional. First cost is the least for any big, luxury automobile—within a few dollars of the lowest-priced cars. Our trade-in appraisals are notably large and Pontiac's resale value ranks with the highest in the industry.
