

TROY HIGH SCHOOL'S regional championship debate team has one more hurdle to make before participating in the state finals on April 26 in Ann Arbor. The team will compete in the semi-finals to be held Friday in Owosso. Coach of the team is Darrell Hackett. Team members are (left to right) Jerry Wyett, Roselene Lockwood, Don MacClemman and Bill Haney. Wyett and MacClemman will carry the ball for Troy in the semi-finals and will continue in the finals at Ann Arbor if they are successful at Owosso. During the regular season the team posted 11 wins and no losses. The subject of this year's competition is "Resolved—The President of the United States should be elected by direct vote of the people".

Future Teachers Club To Receive Charter
The Future teachers club will soon receive a charter from the Future teachers club of America. This will make the club a permanent chapter of the organization.
Ross A. Wagner, principal, will present the charter, which will be renewed each year. The club is being renamed in honor of Marjorie Baldwin, former teacher in Birmingham schools for whom Baldwin schools and library were named.

BETTER ACCELERATION—MORE POWER PER POUND—Mercury has always been famous for pickup, yet this year's Mercury is faster than ever. You have a greater feeling of safety passing or entering highway traffic. Any driving is easier.

MATCHLESS ECONOMY—MORE POWER PER CUBIC INCH DISPLACEMENT—Mercury has always been famous for economy. And although this year you get 26% more power, Mercury can deliver even more miles per gallon. And you can use regular gasoline!

Why this New 161-Horsepower V-8 gives you the finest performance

—in the popular-priced field!

GREATER RESERVE POWER—EXCLUSIVE 4-BARREL CARBURETOR—Only Mercury in its field offers you a 4-barrel carburetor with two barrels cocoon operated. Mercury's tremendous reserve power cuts in instantly, automatically when you need it.

ANOTHER MERCURY "FIRST"—THE SUN VALLEY—America's first transparent-top car. You can see through the roof! The Sun Valley, like all Mercurys, is powered by the new V-161 engine.

QUIETER, FINE-CAR SMOOTHNESS—Engine vibration is virtually eliminated by balancing all important parts before assembly, and mass-balancing the completed engine.

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sunday evenings, 8:00 to 9:00. Station WJBK-TV, Channel 2.
