

"Be Kind to Animals" Yearly Program of 4-H Club Members in Troy

By RUTH M. SANDERS
Staff Correspondent
MI 6-2774

TROY TOWNSHIP—This is national "Be Kind to Animals" week. In Troy township, some 100 boys and girls between the ages of 10-20 observe this week every week in the year. They are members of the 4-H Club and are taught the proper care of animals and how to groom them. The young folks learn how to construct animal shelters, how to clean, feed and train the animals in their care.

Troy township's 4-H Club members earn their own money to pay for the support of their animals. Gloria Sanders has a special way to earn her money. She "sits" with a Great Dane dog by the name of "Admiral". His owners are Mr. and Mrs. Ralph Richardson, 1666 Southfield road.

All Oakland county 4-H clubs are under the supervision of John K. Bray, county extension agent in Pontiac. Mrs. Howard Sanders, leader of the teen-aged group says, "One of the nicest things about 4-H is that the club is its own boss. I am a leader in an advisory capacity only, as are all leaders in 4-H. The club has its own officers and plans its own activities."

Election of officers for the com-

ing year was held at the last meeting of the Women's Society of the Christian Service at Troy Methodist church.

Mrs. Herman Trout was elected president and other officers elected were, Mrs. Jack Hutchins, vice president, Mrs. Ray Griffith, recording secretary, Mrs. Ralph Matney, treasurer.

Mrs. Frank Shearman was elected spiritual life chairman; Mrs. Harold William, literature and publications; Mrs. Claude Leach, student and youth work; Mrs. John Wiest, supply secretary; Mrs. Herbert Gaeth, children's work; Mrs. Tillman Shoover, missionary education; and Mrs. Byron Kumler, promotion secretary.

May 13, is the date of the next Democratic club meeting. There will be more planning at that time for the dance which the club is sponsoring May 21, at May's Barn in Big Beaver.

Big Beaver Methodist church sent Jim Kumler, 660 Tiway road, as their youth representative to the Lake Huron Methodist Camp Work shop, held April 30 to May 2. He was one of five youths representing the sub-district 1, Royal Oak, Birmingham and Southfield areas.

The Clawson Lions club sponsored a dance May 1, at Troy high school. The proceeds from the dance went into a fund which will be used to build a refreshment tent and ticket booth on the Troy athletic field.

For your relaxation and pleasure, there will be music in the air, Thursday night, May 13. This date will be the biggest and most important night of the year for the Troy high school music department as they present a musical program featuring the school band, glee club and choir.

Some of the selections to be presented will be "It's a Grand Night for Singing," "Dry Bones," and "Ride the Chariot." As a climax, the band, choir and glee club will perform in a patriotic number, "Born to be Free."

The following senior girls of Troy high school attended the Bowling Green Play Day on Satur-

day, May 1: Josephine Moss, Sharlene Shaver, Diana Clark, Faye Hunt, Mary Steiler, Barbara Catto, Barbara Terry, Frances Gould, Joanne Jackson, Virginia Gae, and Nancy Walker.

"We had a wonderful time," was their comment upon their return. Seniors who represented Troy high school in the Junior Town Meeting of the Air, were, Frances Gould and Fred Burnard. The topic under discussion was "Senior Trips."

Members of the Troy Women's Club, chapter 1, will continue to see cancer pads throughout the summer but will meet just once a month starting in June. This program will continue until September when the regular schedule will again be followed.

Mrs. Homer Ford, 1984 Mast road, was hostess to the club at their last meeting and the next meeting will be held at the home of Mrs. Constance on Alpine road.

The Altar society of the Guardian Angel church sponsors a fish supper every second Friday evening at the K of C hall in Royal Oak. The next dinner will be held on May 21 and carry-out dinners as well as family style will be available.

The Little Flower Guild will hold a spaghetti dinner on May 15, at the parish hall of the Guardian Angel church.

The hot lunch program, served by St. Anne's guild in the Guardian

Angel school, will be discontinued for the year after May 25.

Mr. and Mrs. Howard N. Sanders have as their guest Joseph A. Racine of Montreal, Canada, formerly of Royal Oak. Racine was formerly branch manager for the Stanley Brush Co., but is now eastern area manager of five provinces in Canada.

Among the many representatives sent by Troy PTA groups to the convention of the Michigan Congress PTA, held at Saginaw, Mich., was Mrs. Alex Tunstall, president of Poppleton PTA, and Mr. Alex Tunstall, publicity chairman; Mrs. Walter Huff, program chairman and Mrs. Ronald Housherville, mother vice president of Poppleton school.

From Troy Union PTA, the convention was attended by Mr. and Mrs. John Pastma, and Mrs. Prusse, Mrs. Gerald Elmore, who is the incoming president of Troy high PTA, attended the convention for three days of its duration as did Mrs. Tunstall, the other members attending the day of April 28 only.

Julius Valko and his son Frank, 1872 East Long Lake road, have returned from Chicago where they were participants in the Peterson Classics for 1954.

To The Man... WHO LIVES IN HIS CAR

When was the last time you had a "close one" while driving between towns on these business trips of yours? Not long ago, we bet. The crowded conditions of today's highways are making "distance" driving very dangerous, as well as extremely tiring.

More and more of today's traveling executives are finding that a personal airplane is the answer to this problem. Probably someone you know has a plane, and undoubtedly he has found it to be a great help for business trips, as well as a convenient way to go North for those weekend parties and fishing trips.

Airplane prices start surprisingly low. A good used plane costs no more than that second car, and did you know that most light planes average 20 to 25 miles per gallon of gas?

Learning to fly an airplane is not difficult. Most persons, on an average, sit in ten hours or less of instruction, which certainly proves learning to fly is within your capabilities. We are prepared to teach you to fly, either in your plane or ours, to enable you to take advantage of the speed, reliability, and convenience of a personal plane.

We have for sale, both new and used planes, or if desired, we can furnish a plane and a pilot on a charter basis.

Why not stop out and find out more about this convenient and safe method of travel.
