WEST BEVERLY—Opening up of summer cottages injected a warm and cheerful note into an otherwise bleak picture the weekend of May 8. Mr. and Mrs. Howard Stoddard, of Warwick road, and the Floyd Lowries, who own adjoining cottages at Huntingdon shores, Higgins lake, journeyed north to spend the weekend reading things for the summer. Weatherwise, they fared no better than the rest of us, however, as all waterfront activities were discontinued because of rain and snow.

A good crowd was on hand for the annual Beverly Hills association dinner May 11 at the Community House. About 210 attended the dinner, and an additional 15 came later for the business meeting. After the meeting, Mrs. Betty Lewis, of Franklin, presented an informative talk, followed by a discussion of the governmental problems of Southfield township. New board members of Beverly Hills association, elected at the meeting, are O. C. Lillie, Herbert

Asheroff, Chet Guilmet and W. R. Lewis. Continuing members are Charles Vogel, J. T. Dorough, Stanley Andersen, Bradley Stephenson and Emil Dukoska. Retiring members are former president Max Roemisch and Harry Hyvonen.

Back from a three-month vacation are Mr. and Mrs. John Shields of Riverside drive. En route to Mexico, they stayed a week in Galveston, Texas, where their son, Dr. John Shields, is finishing his residency. Their daughter and son-in-law, the Fred Waggers, of Bloomfield Village, joined them in Galveston, and accompanied them during two weeks of their vacation. After a month spent in Mexico City, Acapulco, Ixtapa and Pachuca, the Shields traveled to Ft. Lauderdale, Fla., where they remained until their return home May 7.

At the April 22 meeting of the West Beverly garden club, it was announced that the club's 32 members had voted by mail to become affiliated with the Woman's National Farm and Garden association. At the meeting, the following new officers were elected: president, Mrs. James Leach; vice president, Mrs. Arthur DeRoosier; secretary, Mrs. Eugene Seitz; treasurer, Mrs. Henry Welch; chairman of the revision committee, Mrs. Alan Brundage, and program chairman, Mrs. John Madonia.

Mrs. Leach and Mrs. DeRoosier attended the Woman's National Farm and Garden association luncheon in Plymouth two weeks ago, where they met the officers of other clubs affiliated with the organization.

The West Beverly garden club's next meeting will be held at the Bingham lane home of Mrs. Alan Brundage May 27. Members will exchange chrysanthemum plants at that time.

Mr. and Mrs. Howard H. Fitzgerald, of Bedford road, are recently back from a week's visit to New York city, where they saw half a dozen shows, did some shopping, and attended the ANPA convention. Highlighting their visit were speeches by Pres. Eisenhower and Henry Cabot Lodge at the convention's formal dinner at the Waldorf.

On May 1, Mrs. John Toomey of Buckingham road appeared with Dick Webb, of Fernalde, and accompanist, Mrs. Glenn Hill, of Birmingham, as guest artist at the Port Huron musical's May luncheon at St. Clair Inn. Mrs. W. J. Crist, of Buckingham road, a former member of the Port Huron musical, accompanied the three guest artists to the luncheon, and later attended a cocktail hour given for them by some of her close friends in the Port Huron group.

MOVING IN THE MODERN MANNER

Today, thanks to trucks and truck-trailers, moving is no longer the tedious, time-consuming task it used to be.

Now, a sleek, spacious furniture van draws up to your door, a carefully-trained crew takes over, and in a matter of a few hours your furnishings are safely and scientifically loaded and on their way to their new home, be it 'cross town or 'cross country.

Moving in the modern manner means moving by motor transport—a direct, door-to-door service that eliminates extra handling and most crating, and which gets your valuable things to their destination swiftly and unharmed.

It's one more way in which trucks and truck-trailers serve the people—one more way motor transport benefits you!
