League Appoints Mrs. H. Jackson

Birmingham League of Women Voters announces the appointment of Mrs. Henry Jackson, 630 Pilgrim, to the board of directors as chairman of the local government committee. Mrs. Jackson fills the vacancy on the board left by the resignation of Mrs. Brooks Macshall, who has undertaken political party work as Oakland county ticket chairman for the women's division of the state finance committee of the Republican party.

One of the primary objectives of the League is to encourage members to participate in political party activities as the basis of good government.

Because of its own policy of non-partisanship, any officers or board members engaging in party politics must resign her position but may retain her membership. Mrs. Marshall served 8 years on the board of directors.
