Irons Will Seek Sheriff's Post

Police Chief Frank W. Irons of Berkley, a police officer for 30 years, this week announced his candidacy for sheriff of Oakland county in the August primary.

Chief Irons said he wants to bring to the Sheriff's department the same type of trained law enforcement employed by modern police departments.

"The experience I have gained by 30 years in police work and 18 years as chief administrator will enable me to bring to the Sheriff's office the benefit of my years in law enforcement and understanding of police work," Irons said.

"Ah, but wait," said the shop-
