## Terra Cotta Group Plans Sale

By ALICE E. MORGAN

Although only in their second year, a small group of earnest, determined craftsmen are forging ahead and currently planning the sale and exhibit which they hope will become an annual event in Birmingham.

Members of the Terra Cotta Sculptors will stage their event on Saturday, June 5, from 2:30 p.m. to 5:00 p.m. A committee of Mrs. James V. Murphy and Mrs. John S. Wintringham has been appointed to arrange the garden terrace at the Townsend street side of the Community House for the sale. The area will be transformed by the addition of potted plants to augment the items on display and for sale.

THE SALES committee is made

up of Miss Mary E. Ward, Mrs. William Lowrie and Mrs. John Bartholomew. Mrs. Hugh Backus and Mrs. Thomas Chester will have charge of tea and refreshments; Miss Vera Kline, social; Mrs. Don B. Webster, invitations and publicity. Details of the sale have been arranged by Mrs. Gustav Hoffman. Founded in 1953, the group has 12 working members and two honorary members. Mrs. Gerald Fauth and Mrs. R. S. Bishop, both of

Flint. Both will enter items at the June 5 affair.

UNDER THE presidency first, of Mrs. Don B. Webster, the group met informally for some time. As interest and skill grew, the ladies set up a charter and by-laws, arranged regular meetings and began to develop plans such as the forthcoming sale.

New headed by Mrs. Wintringham, the sculptors are fully organized and launching a growing program of events. Although this is their first formal attempt at an exhibit, they have arranged displays of their work at various Community House affairs.
