**TROY TOWNSHIP**—The following school districts represent the location of new 4-H groups now being formed in Troy township, Troy 2, Big Beaver, Colerain, and Troy Union.

Mrs. Jack Goodman will be the leader for first year sewing. Mrs. Alfred Black will have second and third year sewing. Mrs. Henry Black will have food preservation and freezing. Mr. John Behnke will be the leader for cattle and calves. Mrs. Schoenhals will handle the teaching of outdoor cooking and sewing for her group. Mrs. Winfield Sluyer will have cut-door cooking.

Each group will have from seven to twelve children and will have a name which the children will decide upon as soon as they have completed their organization program.

Troy 2 PTA had a travel show Wednesday evening May 19, the theme being, "Vacation for the Family." Information on children's camps was presented.

The Woman's Missionary Society of the Halley Baptist church has doubled its membership this year. Each meeting was built around some missionary field as its theme, and the Society was fortunate to secure speakers who were home on furlough or about ready to leave for a field of service.

"Our members enjoyed the real Japanese Tea Party costume play party," said Polly Harrison, president of the Society. The members visited Haiti via colored film at one meeting and at another, they visited Brazil with Martha Hocking as their guide. Another unusual meeting during the year was the one presented by Mrs. Barry Lyon, a missionary appointee to Formosa. She told of the preparation a missionary must have before going to the foreign field.

At the election of officers, Thelma Paul was chosen president; Dorothy Rutlan, vice president; Frances Benson, secretary; Lois McComb, treasurer; Betty Ballwe, devotional chairman; Doris Snow, social chairman; and Margery Turner, who is in charge of the program.

Mrs. Minnie Cameron, Troy 2 school teacher for nine years and former teacher at Leonard school, was honored at an open house party Tuesday evening, May 25. Mrs. Cameron is retiring from the teaching profession.

The party was held at the Troy 2 school and many of her former pupils attended. Cub Scouts of Den 2 opened the pack meeting of Troy 5 last week with Denny Harrison presenting the flag in the flag ceremony. Alan Halsey and Everett Renaud were awarded the bear badge with one gold arrow. Orlo Munyan received his wolf badge and Johnny Osborne and James Nord were given their bobcat badges in a ceremony in which the entire pack participated.

Cub Scouts are now working on the month's project of "Oil" in their recent sales drive, the boys sold 450 dozen doughnuts. The next pack meeting will be held at Clawson city park on June 21.

Troy high school PTA held the last meeting of the year on Mon-

day, May 24. Officers for the coming year were installed and a program featuring the work of the home economics and manual training departments was presented. Students' work from both of these departments was displayed. Following the program, refreshments were served.

They will be among the guests of honor at a dinner on May 25, in Pontiac, which is being given for officers as well as chairmen and co-chairmen.

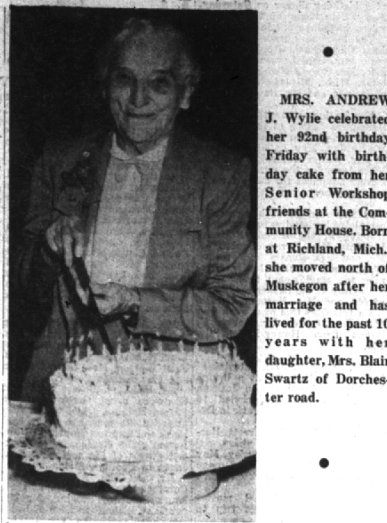

The children's Bible class which was conducted throughout the winter at the home of Mrs. Aubrey Varbrough, Alpine road, under the direction of Miss Noreen Fraser, will conclude the season with a picnic. All children of the Halley Baptist Bible class throughout Troy township will participate and the church bus will pick up children from the Poppleton and Van Courtland area.

Guests included Donna Lambert, Louise Hering, Annette Berg, Doris Hildebrandt, Patsy Sole, Alma McCurry, Leana Snell, Beverlee DuChesney, and Natalie Brindley. Miss Smith will be married May 29 to Walter A. Randall, Jr.

Newest of the area residents to join the Foster Parents' Plan for War Children is Victoria Nunneley, 15, of Hingham Lane.

Since that time the two have been cared for by Foster Parents, with Victoria now assuming the responsibility for Soon Ae. Victoria has been told that her little charge is a lovely dancer, and not only rehearses the steps she has learned but invents her own. She is a good singer, and very popular with the children at the Kuk Je Ae Wuk Wen orphanage she now calls "home."
